Others Present:

Board Chair Jeremy Hallows conducted the meeting.

POST EVENT EVALUATION OF FLY-IN

Discussion ensued regarding the positive and negative outcomes of the Fly-in. They felt the date was good, coming two weeks after the County Fair, and the weather was good. Ideas were discussed for future improvements including the following:

- More port-a-potties and extra trash cans needed
- Video playing in the lounge with a map of events
- More marketing, with fliers to the elementary and middle schools, PTA fundraiser marketing, social media.
- Invite Little Leagers and target high school students more with a fly-over at a football game.
- Start earlier for set up
- Balloon up before 8 am
- Port-a-potties outside gate
- Airport sign in place one week in advance
- Mowing done earlier
- More printed information available at the Fly-in
- Career booth/colleges/Guard

YOUNG EAGLES

Ideas for next year:

- 4 pilots, need youth protection training
- 6 volunteers (they provide 2 handlers, 2 helping with certificates)
