Utah Valley University
B. S. Computer Science: Database Emphasis
08/07/2013

Section I: Request

The Department of Computer Science at Utah Valley University requests to delete the Database Emphasis from the BS degree in Computer Science effective Fall 2014.

Section II: Need

This emphasis has never had a sustainable enrollment during its eight-year history. Since there is insufficient demand, UVU wishes to remove this emphasis from the four-year degree in Computer Science.

Section III: Institutional Impact

No impact is foreseen with this deletion. No changes in course offerings are anticipated at this time. One database course required of all CS majors and three other database electives will still be offered.

Section IV: Finances

No financial impact is anticipated with this deletion.
