Determination to Hold Meeting Without an Anchor Location

Public Body:

Respiratory Care Licensing Board

Chair Name:

Kim Bennion

Public Meeting date or date range:

March 15, 2022

The public meeting(s) scheduled for the date(s) above will be conducted electronically and without an anchor location. I have determined meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

This determination was based on the following facts/information:

The public monitoring and participation requirements in Utah Code Title 52, Ch. 4, Open and Public Meetings Act, would gather the participants and interested persons in this public meeting in a single, confined location, where the risks of further transmission of COVID-19 are greater. At the time that this meeting is being scheduled, Salt Lake County is currently in the "Medium Level of Transmission" phase, according to the Utah COVID-19 Transmission Index.
