Laurie Urquiaga was present as Chair.

- Includes facts of the case, analysis, conclusions and recommendations outlined in the Staff Report, with any changes noted; Planning Commission determination is generally consistent with the Staff analysis and determination.

STAFF PRESENTATION

The Staff Report to the Planning Commission provides details of the facts of the case and the Staff's analysis, conclusions, and recommendations. There are still issues being worked out and the staff recommended continuance of the item.

CITY DEPARTMENTAL ISSUES

- There are remaining issues from the Coordinator Review Committee (CRC) review that need to be resolved.
- Important issues raised by other departments – addressed in Staff Report to Planning Commission

NEIGHBORHOOD MEETING DATE

- A neighborhood meeting was held.

NEIGHBORHOOD AND PUBLIC COMMENT

- The Neighborhood Chair was present /addressed the Planning Commission during the public hearing.

CONCERNS RAISED BY PUBLIC

Any comments received prior to completion of the Staff Report are addressed in the Staff Report to the Planning Commission. Key issues raised in written comments received subsequent to the Staff Report or public comment during the public hearing included the following:

- The neighborhood chair for Fort Utah said there was general support at the neighborhood meeting with the proposed use of the property. There were concerns about the truck traffic that this site would create. The preference would be to direct truck traffic to Lakeview Pkwy. instead of Center St. There are a lot of students that cross the street here and with that added traffic there are concerns about their safety.

APPLICANT RESPONSE

Key points addressed in the applicant's presentation to the Planning Commission included the following:

- The applicant was not present to comment or respond to the Planning Commission.

PLANNING COMMISSION DISCUSSION

Key points discussed by the Planning Commission included the following:

- The Commission asked about the parking ratio of the proposed use. There was a discussion about the amount of semitruck traffic that will be generated by this land use. The proposed streets were discussed and the standards that they would need to comply with. Public Works still has issues that are not addressed on the Concept Plan that could be addressed in a development agreement that is still in the works.
