Business & Community Relations Team:

- Black History Month Poster- Status and review entries
- We have received 3 entries, two from the high school and one from the middle school, maybe we can put up a poster at the library. They were sent out to all Canyon's schools as well as Channing Hall and Summit Academy
- Channing Hall is doing a mural on the west side of the school. They are approaching large employers and parents to sponsor the mural. It will be a permanent art installation for the city. It is in the early planning stages.
- Women's History Month- Melarie suggested a service project to put together a women's kit that would include, hairbrush, bath towel, pair of socks, package of feminine hygiene products. The group would like to make the project more local. Melarie will check with Lifting Hands International to see if we can make the project more local.
- March 8th-International Women's Day
- We are on hold with the Chamber regarding the business survey.

Education Team:

- Zoom meeting with LIA students at DMPS- There was one comment that mentioned they would like to get the Latino community together more often. Ogden City put together an Ofrenda and it was well done.

- Thanksgiving Point also did an event that was well done. We offered them a booth at the International, Arts and Crafts Festival. There might be an opportunity to participate in Draper Days via booth or in the parade.
- There might be a possibility to use one of the Food Truck nights and Cinco De Mayo.
- We will reach out to the Latino in Actions group, Melany Moras will reach out to DPMS and Corner and Canyon.
- Checking with the library about the need to for storytellers/speakers.

Events Team:

- Volunteer Appreciation Breakfast- June 4
- International Arts & Crafts Festival-September 17th discuss items that we want to change from last year.
- All entertainers on the stage
- Two tents for Education and Storytellers
- We need to make sure to tie in Welcome Week with the event. Possibly work with realtors and possibly our local utilities. Maybe we come up with a list of resources for new Draper City residents. Special Interest groups?
