4. Review Monticello City Code: Title 10 Chapter 1 Changes for State Compliance (discussion)

Minutes:

There was discussion about removing bachelors dwelling from the dwelling definitions because it is an outdated term. Upon review of the definitions in chapter 1, the Commission compiled questions to ask City Attorney Alex Goble for clarification. Chairperson Bennett said she included parcels in the appropriate definitions, and the definition for temporary land use regulations was taken from a different section of the code and was put in chapter 1. Manager Bolt was asked about utility easement agreements. Manager Bolt said there will be utility easement agreements in the future. Chairperson Bennett said she would like to hear back from the city attorney

before setting up a public hearing for this chapter.

5. Review Monticello City Code: Title 10 Chapter 2 Changes for State Compliance (discussion)

Minutes:

In chapter 2, Chairperson Bennett included parcels with lots where appropriate. The Commission found areas that needed to be clarified by the city attorney. The State made several changes which Chairperson Bennett included throughout the chapter. There was discussion about fence permits and where in the code those provisions should be placed. Commissioner Matocha suggested all required permits be placed under Title 9 Building Regulations. Again, the Commission will review changes with the city attorney before setting up any public hearings.

There was discussion about hiring out for the Board of Adjustments. The first meeting in October will include a public hearing for a zone change request. Planning Commission Meeting Minutes

Tuesday, September 21, 2021 at 6:30 pm

Attendees: Chairperson Lee Bennett, Commissioner Robert Christensen, Commissioner Scott Burgess-Not Present, Commissioner Mary Cokenour, Commissioner George Matocha, City Manager Evan Bolt-Not Present, City Recorder Shalena Black-Not Present, Deputy City Recorder Melissa Gill

Meeting Location: 17 N 100 E

1. Call to Order

Minutes:

Chairperson Bennett opened the regularly scheduled Planning Commission Meeting at 6:28 p.m. The following visitors were present: Councilwoman Kim Henderson and Jeremy Hoggard.

2. Public Comment

Minutes:

There was no public comment.

3. Review Monticello City Code: Title 10 Chapter 6 Changes for State Compliance (discussion)

Minutes:

Chairperson Bennett started the meeting stating that the packet reflects the same color coding as in other meetings. Most of the changes in blue were the same as before the state law went into effect and had already been approved by the City Council. The red changes were those mandated by recent state laws. Commissioner Cokenour asked if anything had changed per City Attorney Alex Goble's recommendations. Chairperson Bennett outlined those changes made by Mr. Goble. She continued that at that point, short term rentals and long-term rentals were broken up per state recommendation. R-1 zones were not included for short term rentals. Councilwoman Henderson said she believed City Manager Bolt was going to allow a certain number of short-term rentals in the R-1 zone, so the Commission would need to consult him before it was put into the code. Chairperson Bennett said she would get with him before she finalized that point. She also stated that the Commission had heard from citizens that they want the ability to grow gardens for commercial use and has been included as a conditional use. The Commission added solar energy use to the code along with several changes in definitions according to

state law.

There was a discussion regarding the 10-6-4 frontage and setback. Clarification was decided on for the requirements. Chairperson Bennett stated that she made many formatting changes simply to make everything more streamlined and easier to cite the code when necessary.

There was one question that was brought up with 10-6-19: CLEAR VIEW OF INTERSECTING STREETS. After a discussion of stop signs and yield signs near shrubbery and trees, it was agreed to change the code to: No obstruction which will obscure the view of automobile drivers shall be placed on any corner lot within a triangular area formed by the street property lines and a line connecting them at points of forty-five feet from the intersection of the street lines.

4. Review Monticello City Code: Title 10 Chapter 7 Changes for State Compliance (discussion)

Minutes:

Chairperson Bennett began the discussion on R-2 zoning. The Commission agreed to make the same changes on the table for 10-7-4 as they did for 10-6-4. The rest of the chapter was simply reformatted for the same reasons as the reformatting in chapter 6.

5. Administrative Communications

Minutes:

Chairperson Bennett stated that she submitted these changes to City Attorney Alex Goble. Mr. Goble reviewed the changes and added some input. He suggested clarification on the wording in definitions, clarified the single-family definition, and explained the noticing requirements to the Commission. The City is no longer required by the state to post in the newspaper but still does.

There was a discussion as to the importance of getting the new code finished before the December 31st deadline, and a plan was put into place as to how that would be best accomplished. The procedure for the public hearing was also discussed.

Commissioner Matocha reminded everyone that people can also email their questions, concerns, and comments for the Commission to consider if they do not wish to attend the public hearing.

6. Next Meeting Agenda

Minutes:

C-1 and C-2 permitted uses. Add live/work units into C-1.

7. Adjournment

Minutes:

MOTION was made by Commissioner Mary Cokenour to adjourn the meeting at 7:35 p.m. The motion was seconded by Commissioner George Matocha and passed unanimously.
