ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF

COMMENTS: ■Black – kudos to the Master Singers, they gave goose bumps on Sunday. ■ Cozzens – report on the ice rink, I appreciate Kit's work and the Engineering Department, they are going to be installing the light poles. Our ward was up laying pipes last week. I talked with a guy from Enoch that said he will buy a swim pass for his family while he skates. Barnes – along with that, we will have 14 teams in this weekend in the competition pool, it is a great thing. Dan – 500 swimmers coming in Friday and Saturday. Mayor – back to ice rink, they have about 21 miles of tubing they are putting in and it is taking hours and hours and they are about finished and we will put on the agenda in the near future to consider us not having them take it down in the spring until we determine it is not in our best interest to have it located there. Cozzens – they have put a lot of hours in, they are willing to take it down, but if possible they would like to leave it up. They did not paint the containers green, but they did paint them brown and have made it nice and replacing the top cap of the panels that are cracked. They will start freezing the water this week; they put a layer of ice and then paint the lines and continue to do that in layers. Mayor – it doesn't make sense to tear it down with the time it takes to put it up. ■Marchant – about the Veteran's activities, timely and well done, only about

20 minute activity with music and word and a few tears, I wish more people would have been there. Added to that was an activity at Three Peaks Elementary with Mr. Hunts class, they had a good presentation of what a veterans is and then showed the proper way to dispose of the American Flag and they had about 400 flags that were sent to them to be properly disposed of, are youth are learning, we are seeing that our students are taught and kudos to those teaching them. ■Barnes – if anyone has not seen the Westside production, they combined high schools and to get them on one stage I would highly recommend it. It is through Saturday at 7:30 p.m. at Cedar High. ■Mayor – we have met with Stone Castle Recycling, a Utah Company that has been in business for 27 years, they are in Northern Utah. They have leased the old Coca Cola plant and are getting it put back together. Tony Stoddard – we are excited, and have taken effort to make it done right. In the next 6 months we will transfer the corporate headquarters to this facility. We have been in business 27 years with a strong foundation, we hope to add 60 jobs and in the future we do have plans to move one of our smoking plants to this facility which would add another 25 employees. We are opening doors Monday morning. We have had equipment being delivered all week. We are working with Rocky Mountain Power. I appreciate you seeing me when I was not scheduled. We are the only 100% recycler in the Nation, we receive anything manufactured, only stuff monitored by USGS is not accepted, it includes glow in the dark exit signs. We receive everything, we don't turn anything away, reclaimed wood goes to energy facilities to make sheet rock, carpet scraps, padding, and every type of plastic, metals. We expect 3-4 semi loads every day. We sell globally. We handle everything on the street, anything sensitive we can get rid of, including shredding. Marchant – what is the possibility of a tour? Once we are open we have an open door, we just ask that you make an appointment. We work with Eagle Scouts for projects. We like to interject ourselves to the meeting, you will see us here, we want to be part of the community and offer support to High Schools. Marchant – what prompted the move? Mr. Stoddard – at first we were having fiscal challenges because of the market in plastics, cardboard, etc., it went from \$8,000 to \$2,400 a load. With the slim margin if there is a hick up then the profit margin tanks. We send everything we have through Cedar City, we can bring it here and process it here for less money and not look back. Black – how did you find out about the Coke Plant? Mr. Stoddard - A former owner of SURE called our facility after the fire, they contemplated getting the facility up and running so they asked us to purchase the material. We came up with the intent to purchase and transfer the equipment, it took about 3 minutes to determine it needs to stay here, we knew if we came here we could make a difference. We can make a bigger dent in a smaller pond. Mayor – Mr. Stoddard is going to move here. Mr. Stoddard – I bought a home today. Fred Rowley – will there be any curb side? Mr. Stoddard - Not now, it will have to be brought to the facility, it make happen in the next 6 months. Audience – we won't have to put things through a small hole. Mr. Stoddard – in the City's defense, that is to prevent people from putting things in that don't belong. Rick – we will continue the binnie program and it will be delivered to them. ■Swear in Youth City Council – Shannon Avance , Advisor for Youth City Council. We are setting up a meeting with the new Mayor, she is going to speak with us in December. We have been asked to participate in the Cedar City Chili Dip as a fundraiser. I got an email from the committee of Youth City Councils across the state asking us to set May 10th as a service day. If you have any ideas of service projects for

the May 10th date let us know. We are also planning Legislative Day. Each member introduced themselves. Renon Savage administered the Oath of Office to the Youth Council. ■ Employee of the Month is Police Officer Charlie Crosby.

PUBLIC COMMENTS: ■ Melodie Jett – as Don was talking about the Veterans Day, I wanted to put in a plug for Gateway, we had 100 or so Veterans come in for a bacon, egg and pancake breakfast and then 3 or 4 classes sang songs. It was nice to see the bond. Our future is in good hands. ■ Emma Smith – walking up the SE trail there is a big sign put up, do they own the trail, it says “only walk sunrise to sunset”, do they control us like this. Dan – Martin Tyner of Southwest Wildlife Foundation put the signs up, they do own the property, we do have a right-of-way. We have a good relationship with them. I will see what they are asking. I heard the same thing. Another thing, the Veterans Day, why are their funds cut, why do they have to take donations, why the RAP Tax do more, take some money from Shakespeare. Also the flags at the Veterans Park, they are in disrepair, if they put the green bridge up there with rap tax, they can afford to put up new flags.

CONSENT AGENDA: (1) APPROVAL OF MINUTES DATED OCTOBER 16 & 23, 2013; (2) APPROVAL OF BILLS DATED OCTOBER 24 & NOVEMBER 7, 2013; (3) APPROVE LOWERING INSURANCE REQUIREMENT TO \$2 MILLION ON THE RAP TAX DISBURSEMENT AGREEMENT FOR FESTIVAL COUNTRY K-9'S - DIANE GIL; (4) APPROVE RESTORATION OF 69.92 HOURS OF SICK LEAVE FOR OFFICER JASON THOMAS – RICK HOLMAN; (5) APPROVE A COST REIMBURSEMENT AGREEMENTS WITH BERYL SOLAR, CEDAR VALLEY SOLAR AND BUCKHORN SOLAR FOR AN ECONOMIC DEVELOPMENT SOLAR PROJECT FOR PAYMENT OF THE CREATION OF A COMMUNITY DEVELOPMENT AREA (CDA) – BRENNAN WOOD: Black – can we talk about item #4 first, if something happened to the regular employees not police or fire, if they had something happen to them could they have the same opportunity of restoration. Mayor – they can request that through the Personnel Policy. Rick – if we want to include in the paragraph to be more broad we can bring that back. Black – we should do that, if they receive physical damage as course of employment they should get the same opportunity.

Councilmember Cozzens moved to approve the consent agenda items 1 through 5 as written above; second by Councilmember Black; vote unanimous.
