**1. Consideration of Meeting Minutes from January 25, 2022 Work Session and January 25, 2022 Regular Meeting.**

Chairman Spiers asked if there were any changes to the minutes from the January 25 meetings. There were no changes.

**2. Recognition of Suzette DeMar for her service as a Planning Commissioner.**

**F. Action Items**

**1. Consideration of Conditional Use Permit request for Billboard Sign Alterations for Sign located approximately 3450 South Parker Drive, as requested by Reagan Outdoor Advertising.**

Reagan Outdoor Advertising is requesting a height adjustment due to obstruction by the sound wall near the freeway. Mr. Eggett explained this is allowed by state code, but the city code requires a Conditional Use Permit, and that staff have no concerns regarding this item.

**2. Consideration to forward a recommendation to the City Council of a proposed Subdivision Amendment for Riverdale Joann Subdivision, property located approximately 4868 South and 4978 South 1050 West, Riverdale Utah 84405, as requested by The Lodge Properties, LLC and AWA Engineering Group.**

Mr. Eggett noted Jake Tate from AWA was present representing this item. He explained this is a Commercial C3 area, which is subject to a development agreement, no public hearing was required, and that an approval would send it to City Council. He noted there were no items of concern other than from Public Works to make sure water transfer is not necessary.

**3. Consideration to forward a recommendation to the City Council of a proposed Small Subdivision, property located approximately 4054 South and 4060 South Riverdale Road, Riverdale Utah 84405, as requested by The Chasebrook Company.**

Mr. Eggett explained this is the front parcel of the (formerly Shopko) vacant building parking lot. He noted this is a Commercial C3 zone, 9.6 acres, no public hearing required. He went over the site plan review

and noted missing items and engineer comments, and stated there were no concerns staff, but that water may need to be discussed in the future.

**4. a. Consideration to untable the discussion and considerations regarding proposed Development Agreement Amendment and associated language, as submitted by Bach Land and Development, LLC.**

**b. Consideration to forward a recommendation to the City Council regarding proposed Development Agreement and associated language, as submitted by Bach Land and Development, LLC.**

Mr. Eggett, who noted this item was before the Planning Commission on January 25, 2022 and was tabled at that time due language changes needing to be made. He said the changes had since been reviewed by attorneys for both parties who felt comfortable with the language updates. Mr. Eggett explained if a recommendation to City Council is forwarded, they may or may not approve as it is written, and the standing agreement is set to expire on February 15, 2022. A six-month extension may be necessary on February 15 if City Council is not ready to approve the agreement. He also noted the applicants had addressed everything previously discussed in the agreement.

Commissioner Jones inquired about the process at the City Council meeting. Mr. Eggett clarified that City Council could either extend the original agreement or approve the new one.

Mr. Hermann asked what would happen if the extension was not approved. Mr. Eggett explained the agreement would then need to be renegotiated.

**G. Comments**

There were no additional comments from the Planning Commission or City Staff.

**H. Adjournment**

As there was no further business to discuss, the Planning Commission Work Session meeting adjourned at 6:34 pm.
