MINUTES FOR NOTICE OF PUBLIC MEETING AND AGENDA

CALL TO ORDER

PLEDGE OF ALLEGIANCE

ATTENDANCE: Amy McDonald, Jared Maquis, Harriet Dickerson. John Morton, on-line
Rachel Albritton, Brad Lovejoy.

WORK ITEMS:

1. Planning and Zoning Ordinance – Continue Updates.

Ms. McDonald reviewed how the current changes were last updated. Discussion of the changes of Chapter 1 were discussed briefly. It was expanded into Chapters 2 and 3 for more clarification. The remainder of the meeting involved discussion of the problem regarding individuals camping where they shouldn't and individuals leaving vehicles, boats and other recreational equipment parked on the street which is also not allowed. A reasonable means to enforce the current code was discussed. It will be necessary to get the Sheriff's office to determine the actual ownership of some vehicles, then notify those individuals of their non-compliance with a request to comply and provide subsequent actions which will be taken to ensure compliance. This problem has existed for several years, even though one of the main reasons is that guides do not have approved places where they can "camp" "live" through the summer months. This is one of the reasons attempts at reaching a solution have been ineffective.

Meeting was adjourned at 8:20 p.m.

Harriet Dickerson, Clerk
