C. CWC and University now desire to further amend the Agreement, as previously amended, to provide for University’s ongoing maintenance of the Environmental Dashboard as described in the attached “Proposal for Maintenance of the Environmental Dashboard” dated 13 April 2022 from University to CWC.

D. Consequently, the Parties now desire to further amend the Agreement, as previously amended, to adopt a revised scope of work for University, a revised schedule for completion of such work, and a revised fee schedule for that work.
