

The map illustrates the proposed roadway dedication for Snowman Drive, which is 30.548 S.F. (0.70 acres). The drive is shown in three sections: a 30' wide section, a 40' wide section, and another 30' wide section. The alignment is defined by a centerline and right-of-way lines. Survey points are marked with bearings and distances, such as $L=15.13, R=30.00, D=02855732''$ and $L=14.86, R=80.00, D=01240221''$. The map also shows the intersection of Snowman Drive with Snow Shoe Drive and the location of various monuments and survey points. A legend in the bottom right corner defines the symbols used for monument types and line styles. The map is divided into sections 51, 52, 53, 54, 59, 60, 61, 62, and 7. A north arrow is located in the upper left corner.
