The Planning Commission will act on the proposed Land Use Ordinance changes after taking comments from the public during the public hearing. Public comments will be provided pursuant to the planning commission's rules of conduct, which are attached to the back of this agenda. Public comments will be limited to three minutes per person.

Greater Salt Lake Municipal Services District Planner Travis Hair provided an overview of the proposed ordinance creating Chapter 19.15 of the Emigration Canyon Town Code of Ordinances allowing for and regulating Interior Accessory Dwelling Units (IADUs) in single-family detached dwellings.

Commissioner Harpst said section 19.15.080.b, page 4, how is that announced or enforced. Mr. Hair said people have built them, and not told anyone, enforcement issue and need to know about them before we can do anything about it.

Commissioner Harpst said section 19.15.120.d, page 5, add sign and record. Commissioner Karkut asked about overall timing, authorizes them in all residential zones, and relevant municipality to adopt an ordinance and impose requirements. How do you interpret primarily zoned for single family residence. Mr. Hair said most lots, hard how many areas and hard to argue not residential or being used for. Commissioner Karkut said 25 percent restriction done in a zoning ordinance modification. Mr. Hair said if all areas are similar in zoning and condition, difficult to justify putting 25 percent. Mr. Hair said townhouses will not be able to utilize only single family detached, not a townhouse or condo product.

Commissioners, Counsel, and staff had a discussion regarding IADU, purposes and policies, allowed areas and zones, H and I from the standards, 19.15.120.c notices, and housing plan.

No one from the public present to speak.

Commissioner Karkut motioned to close the public hearing, Commissioner Berreth seconded that motion.
