Time was turned to Shane Morrison to discuss the Redneck Drag races. He would like to have a race on April 23rd. This race will be a day race. The Kind Race has canceled for this year. Councilman Sherm stated that he needs to work directly with Heather but she needs to apologize to him first. He also stated that the race money only needs to be given to him and not go thru the Town Clerk. They would also like to have a road put in out to the airport to get back. Mayor Pearson stated that this needs to be cleared through the airport people first before anything is done. A gate still needs to be installed out there. Councilman Sherm will pick up a gate.

MOTION: Made by Councilman Sherm Buck to approve them to have a drag race on April 23rd if they get the gate installed.
SECONDED: Councilmember Jodi Hurdsman

Time was turned to Tyson Jewks with Ensign Engineering to update the board about the water master plan and the new tank design. He stated that he has been in contact with Mike Utley with

the BLM about the Environmental study. The environmental study from last time was never submitted to the BLM for approval. The BLM had just looked at it. He was sure that we could use it but wanted to make sure. He is still waiting for the BLM update. The engineer is ready to design the tank and it usually takes 2 to 3 weeks for feedback. They are hoping to have plans reviewed in the next few weeks.

The water master plan papers should be submitted to the Division of Drinking water soon.

The new water tank should be about 400,000 gallons and 65 feet in diameter.

Tyson also handed out some papers about some water rights. This is an example to use for paper water rights set per year.

The town currently could have 53 more connections for our current wet water rights to reach the maximum.

The Clerk stated that the Taylor's need to pay for a water meter reconnect fee at their shop.

The Mayor was given some building permit plans from the planning and zoning committee. All of these plans have been approved and signed off by the planning and zoning committee.

Jeff Richards would like to have a metal building put up on their property.

MOTION: Made by Councilman Sherm Buck to approve the plans for Jeff Richards.
SECONDED: Councilman Coy Morrison

The overdue water bills were discussed. The clerk will send out letters of concern to those on the list and one disconnect notice.

Mayor Greg Pearson stated that LeRell Barnson has been filling his semi-truck to water some of his cattle. He will come and pay for it as soon as he is done with hauling it.

Mayor Pearson stated that they had training for the fire fighters.

Councilmember Jodi Hurdsman discussed the Easter egg hunt. She stated that everything is ready to go. She also asked if the clerk had the donuts and juice or if she needed to get them. The clerk stated that she would have them there.

Councilman Sherm Buck reported on the cemetery. He stated that the inmates came and cleaned up the cemetery. He discussed the option of the town purchasing a weed burner. He will look into it and report back to the board.

The flag at the main entrance needs to be replaced. The Clerk will look for a new flag.

Councilman Sherm stated that he has not heard anything about the seal at the airport.

Councilman Coy Morrison reported on the roads. He stated that the signs had been fixed. The cement barrier on 100 west by the RV Park has been knocked over.

Councilmember Lori Taylor asked some questions about the park. She was wondering about a new motion sensor light at the park and some new cameras. She also stated that she received all the papers about the Veteran's Memorial from William Merritt. She had asked him and Rick Dalton some questions she had and was checking to see if this is the exact plan that the board would like to move forward with. She will continue to work on it and will report back.

They would like to see if the Veteran's Memorial is on the CIB list.

The town employee salaries were discussed. It has been a few years since they had a raise. The board would like to see some kind of rate increase but not sure how to go about it. They will look into it and report back at a later date.

The financial statement and bank statement for the month of March were available for review.

ORDER: Claims were available for the March payroll and accounts payable which goes from Check #11510 to Check #11529.

Meeting was adjourned at 9:37 P.M. by Mayor Greg Pearson.

MOTION: Made by Councilmember Jodi Hurdsmen to adjourn the meeting.
