

Preface

The Municipal Code of Payson, Utah began in-house in 2021 with the assistance of Municipal Code Corporation. This Municipal Code shall be cited as the Payson City Code or “PCC” as an acronym.

PCC references found within the code maintain a structure by subject matter using a decimal numbering system which identifies the chapter and section (**for example: 1.01.010**). This complete set of numbers is designed to aid in searching and/or referencing the Municipal Code, and to assist in subsequent codification as new ordinances are added to the Municipal Code.

- The first number in the sequence (**1.01.010**) designates the **Title** level
- The second series of numbers (**1.01.010**) designates the **Chapter** level
- The last series (**1.01.010**) designates the **Section** level

The legislation herein may be arranged as an alphanumeric ordered list **A, 1, a, (1), (A), (a)** to show hierarchal relationships. The legislation may also be arranged as an unordered list (using bullets, discs, squares, etc.) to show items without hierarchal relationships. These list structures assist in subsequent codification as new legislation is added. To forego the naming of each list item and to more granularly reference legislation that employs alphanumeric characters, use “Paragraph” followed by the desired alphanumeric reference(s), comma separated. For example, “Paragraph B,7,d”, specifically references item “d”, of item “7”, of item “B”—whereas “Paragraph B” refers more generally to any or all of list item B’s descendants.

References herein revealing “Utah Code” implies a reference to the "[Utah State Legislature](#)".

Vacant titles, chapters, or sections may be designed for future use and may be marked “Reserved” to ease internal expansion. The legislative history identifies the specific legal sources of a section as may be provided in footnotes.

The Municipal Code is supplemented from time to time with amendments and additions made by the municipality. The specific legal sources that comprise this Municipal Code have been adopted during the codification process from the original formatting of the official hard copy. In the event of discrepancies between the online Municipal Code and the official adopted legislation, the legislation typically governs. Municipal Code Corporation provides a searchable database of the Municipal Code for easy reference and convenience.

THE ONLINE MUNICIPAL CODE MAY NOT REFLECT THE MOST CURRENT VERSION OF ALL ADOPTED LEGISLATION. ALSO, THE MUNICIPAL CODE MAY

NOT REFLECT RULES OR OTHER REGULATIONS PROMULGATED UNDER THE
AUTHORITY OF THE CODE, INCLUDING TECHNICAL SPECIFICATIONS.
