Janet Hemming (Yalecrest Community Council) offered support for the plan; spoke on the need for greater funding for public lands, and stewardship being an important goal of the plan.

Council Member Mano provided the following suggestions to move forward with selection process: Council Members would first rank maps by preference, preferences would then be sent to Staff to be posted publicly online, any last adjustments/discussion to be held on May 3, 2022, and set for potential adoption on May 10, 2022.

Stealth facilities are currently limited to 35 feet in height. This request is specifically related to a proposal by the applicant to construct a stealth cellular tower at the Pioneer Police Precinct at 1040 West 700 South, but the proposed text amendment would apply to properties within the PL district citywide. Petition No.: PLNPCM2020-00284
