

Clawson Town Council

MEETING MINUTES

April 14, 2022 6:00pm

WELCOME
PLEDGE OF ALLEGIANCE
ROLL CALL

MEETING MINUTES

IN ATTENDANCE: Gary Price, Casey Reid, Robby Riley, Jerry Price, Julie Weber and citizens from town.

1. Approval of February 2022 Meeting Minutes.

Motion to approve minutes made by Jerry Price. Second by Casey Reid. Approved.

2. Post Office Update.

We submitted a proposal of \$12 per sq foot rent for the post office space. Average is \$10 in Utah, but we felt \$12 was fair since we will be paying utilities at the post office. Remember this will only be a two hour per day post office and not a full time post office.

3. Discussion and renewal of Lawn Care Contract for 2022.

Casey would like to continue doing lawn care for the 2022 season. We will continue this contract at \$350.00 per month for the services. Motion to continue this contract with Casey Reid made by Jerry Price, Second by Robby Riley. Approved.

4. Cemetery Update.

Gary states they added pegs and plotted everything out again. He has a new map but it is at his house right now. Larry is making markers for the cemetery. Gary told Larry we would be happy to pay him for the markers and we appreciate all his work at the cemetery. Secondary water will be on soon so we can start watering trees and things up there.

5. Discussion on purchase of emergency generator.

We discussed this during covid, but never made the purchase. This would be used in the case of emergency or long power outages citizens would be able to gather at town hall if needed and have access to power. Motion to table this item while we gather estimates made by Casey Reid. Second by Jerry Price. Tabled.

6. Treasurer's Report.

Gary reviewed the treasurer's report with no concerns.

7. Discussion and approval of any bills to be paid.

Motion to pay bills made by Casey Reid. Second by Jerry Price. Approved.

8. Guest Business.

None.

9. Mayor and Council Member reports.

Robby: attended LEPC a couple of weeks ago. Discussed hazardous materials and awareness. Have a copy of emergency response guidebooks available for review. LEPC will start being more hands on and involved in community awareness and events now that COVID is no longer creating restrictions.

Casey: Reminder that checks need to be deposited weekly. We are still receiving complaints.

10. Adjourn.
