Payson City Recorder

Payson, UT 85651

To whom it may concern,

This is my letter of intent for the position of City Council for Payson City. I am excited at the possibility of being considered for this position. Payson City is at a crossroads of development, a time of growth and opportunity! This city is positioned for wonderful new things, with both housing, businesses and infrastructure! These must be balanced with prudence, managed with foresight and encourage community input.

I feel I am best suited for this position with involved community background, communications, social media skills and knowledge, small business owner, volunteering in schools and church organizations, Former Republican Delegate for Payson, interest in civic matters, crossing guard advocate, and all around concerned citizen.

Here are some of the interests I have for this great City of Payson

- Encourage Business growth and infrastructure development
- Promote responsible housing developments that positively enhance our city
- Increasing communications from the mayor's office/city council members to the citizens via social media and other platforms
- Enhancing the Arts and recreation for the enjoyment of the citizens of Payson and surrounding areas

Thank you for considering me for this position. I look forward to meeting with you. If you would like references, please contact me.

Sincerely

Christine Dalton
