Dear Sirs,

I am a United States citizen, age 61, registered voter living in Payson, UT for the last 12 years. I believe myself to be mentally competent, have not been convicted of any felonies or treason/ crimes against the Nation or any municipality. I was given an honorable retirement from the United States Air Force in 2009. I have considered for several days the city's notification of a need to fill a vacancy in the City Council. I am submitting this letter to declare my willingness and intent to serve as a City Councilman in Payson, UT if the council feels I am the best option for them.

Sincerely,

Gale J Skousen
