SUBJECT: Southmoor phase 2 into warranty Bond Release

Dear Mayor Jackson:

The above referenced subdivision has completed the all required improvements as of this date. With the approval of the installed infrastructure, we are recommending this subdivision begin the required one year warranty period. A reduced bond letter has been generated, reducing all bond items which have been completed. A warranty bond for the remaining warranty amount must be issued and maintained until released from the warranty period by the city.

Please contact me should you have any comments, questions, or concerns. Thank you.

Sincerely,

Adam Ferre
Energy Director
Eagle Mountain City
