1. Call to Order; Roll Call; Pledge of Allegiance; Prayer/Thought

Mayor Cook called the Town Council's Special Meeting to Order and provided Roll Call for all members present and absent. Councilmembers recited the Pledge and Mayor Cook provided the invocation.

2. Solid Waste Contract

Councilman Norris previously provided all council members the RFP, as attachment A., which is a pricing for an estimated three-year proposal; it's also having a two-year option renewal. We only received one proposal back from Ace Disposal and their three-year base term price was first can \$14.50, second can \$7.25, third can \$7.25, the two recycle dumpsters, the six-yard front load containers dumped once per week at \$6.08 and the 30-yard roll-out dumpster up to 4-tons of garbage containers dumped once per week. In the RFP, it also stated that if; there were any alternative proposals that they could also include those with their proposal. They can price out an alternative for a 5-year base term and the 5-year base term first can was \$13.28, second can \$6.64, third can \$6.64, recycle dumpsters two of them \$6.08 a month and the 24th of July Celebration 30-yard dumpster would be \$6.20.

Council members discussed both the three-year and five-year terms and what would benefit the Town and the residents.

Councilwoman Ault moved to approve the contract for the bid from Ace at the five-year term, minus the roll off dumpster for the 24th of July and then raise rates accordingly.

Councilman Norris seconded.

Councilwoman Ault: Yea
Councilman Norris: Yea
Mayor Cook: Yea

The motion passed to approve the contract for the bid from Ace at the five-year term, minus the roll off dumpster for the 24th of July and then raise rates accordingly.

3. Groundskeeper/Custodian

Mayor Cook advised the council that our previous Groundskeeper/Custodian had resigned the beginning of May and we need to fill the position. He has had a few residents reach out to him and ask about the job and it seems like it's split in half.

Councilwoman Ault feels it will be fine to split it but knowing that the pay is going to be half for each. She indicated the Groundskeeper pay should be seasonal.

Mayor Cook indicated the residents that had reached out for the Groundskeeper are only willing to mow the lawn, pull all the weeds, turn on the sprinklers, but they don't want to do any cleaning of the bathrooms located in the park.

The members discussed their maybe individuals who may need hours for community service and this may be a good opportunity.

4. Adjourn

Councilwoman Ault moved to Adjourn.

Councilman Norris second.

Councilwoman Ault:	Yea
Councilman Norris:	Yea
Mayor Cook:	Yea

The motion passed to Adjourn.

Meeting Adjourned at 6:51 p.m.
