

Toquerville City Conditional Use Livestock Permit

This Conditional Use Livestock Permit was granted to Anita, Mona, Laura, Lorin Lowe for a Livestock Permit located on property parcels T-19 and T-148-A, totaling in 5.33 acres by the Toquerville Planning Commission on May 20, 2009 and modified with the following conditions on August 13, 2009.

The conditions under which this Permit has been approved are as follows:

1. Permit shall be reviewed annually by the Planning Commission or its designee.
2. The use may not be expanded or enlarged without the express written permission of the Planning Commission.
3. The types and numbers of animals allowed to graze on the property shall be regulated by the Toquerville City Ordinance "Keeping of Livestock" as amended November 9, 2006. (5,000 square feet per large animal, 25 square feet per chicken/duck, and 50 square feet per turkey/goose and these numbers do not include animals younger than 6 months.)
4. Applicants must keep all fences repaired and capable of confining livestock to the property.
5. Animals will not be a nuisance to adjoining property owners in accordance to ordinance 03-09-2006.

Dana M. McKim
Toquerville City Recorder

Date: 7-12-18
