ATTENDING: Kellie Challburg, David Dobbins, Tara Bradshaw, Ron Williams, Melany Moras, Shivam Shah, Stephanie Frohman, Norm Ramos, Gary Thompson

EXCUSED: Erin Seibel, Jill Rowe, Melarie Wheat

Inspirational thought by Tara Bradshaw: Tara expressed the idea that it is okay to agree to disagree. People with different beliefs can always come to the table, shake hands, and break bread with those that believe differently. She wants everyone in Draper to feel safe, respected and protected.

The committee discussed how important communication is when bringing people together and making them feel connected.

Tara asked for a Motion to Approve Meeting Minutes from the March 16, 2022 and April 27, 2022 meetings:

Motion to Approve: Ron Williams

Second: Gary Thompson

Business & Community Relations Team:

- Kellie mentioned that there was a LGBTQ+ event at Draper Park on June 18th at 5:00 pm. It is being hosted and organized by a young man from Draper. They have great speakers lined up and Mayor Walker is speaking as well. All are invited to attend and help with the event.
- There was a discussion about the All Abilities Park in Draper. The goal is to have it completed by Draper Days. The city will plan a ribbon cutting and welcoming event. The committee will be invited.
- Draper Days discussion: The committee would like to have a booth. They talked about items that they can give out such as sno cones and/or popcorn. Kellie said she would set up a schedule to man the booth in two hour shifts for Friday 5:00-7:00 pm, and Saturday 10:00 am- 7:00 pm. The committee also expressed a desire to have an entry in the parade if it isn't too late.

Education Team:

- Upcoming holidays were discussed- such as Juneteenth and World Refugee Day. It was mentioned that Don Ward, a Draper resident was having a kickoff party to his foundation that helps refugees.

Events Team:

- The committee discussed the International Arts & Crafts Festival and asked how the vendors were coming along. Someone suggested getting a Motown group as an entertainer. They also discussed having the separate tents for the crafts and story tellers/puppet shows. We talked about doing a mural or something since the event aligns with Welcome Week.
- The committee talked about the Indigenous Peoples Day Community Walk on October 11th. We are getting a speaker and Tara mentioned that it would be nice to have fact signs along the route. The city would like to have a pickle ball tournament with the proceeds going to the Native American community. They are trying to figure out the logistics to make that happen.
