This meeting will be an electronic meeting with no anchor location pursuant to the Chair's determination.

Chair's determination: As the Chair of the Redevelopment Agency Finance Committee, I hereby determine that conducting the meeting at an anchor location presents a substantial risk to the health and safety of those who may be present. The decision to meet without an anchor location follows a recent increase in COVID-19 cases among the RDA staff and elsewhere. This change is a precautionary measure for the safety of the public and City employees. The Finance Committee will return with a hybrid or in-person meeting when appropriate.

We encourage those interested in watching the meeting to do so by joining us at the link above.
