6:30PM WORK MEETING

1. Review of the requested revisions since last meeting

At 6:30pm the meeting was called to order. Megan Townsend from the Wasatch Front Regional Council explained that this would be the final work session before each body considers the plan separately. The Wasatch Front Regional Council representatives then went over the proposed changes from the Planning Commission's work session on January 31, 2022, with the Planning Commission and City Council.

2. Finalization of draft Future Land Use Map to be considered by the Planning Commission

Those present then went over the proposed future land use map that the Planning Commission designed at their meeting on January 31, 2022. There was some discussion on recommended changes from the staff.

At approximately 8:45pm the discussion ended.
