

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: R277-618, Homeless Teen Centers in Schools (New)

Agenda item type:

Action Item

Recommended Action:

That the Board approve R277-618, Draft 1, on second and final reading.

Background:

This rule is being created due to SB 2 of the 2022 General Session that appropriated \$3.5 Million for a grant program to create homeless teen centers at several schools around the state. (See line 649 of SB 2, the \$3.5 Million is part of the overall "Contracts and Grant" line item total). The language for this rule was taken largely from the request for appropriation form submitted by Rep. Eliason.

The rule establishes the criteria for ranking applications for a homeless teen center grant submitted by an LEA; the funding limits for the grant and allowable uses of awarded money; and the required data collection from an awardee for measuring success of the grant.

Staff will present R277-618, Draft 1, for consideration and approval.

Authorizing, and Implemented or Interpreted Law: Art X Sec 3; 53E-3-401(4)
