C. Canyon 2 Canyon: Deanna working with Chris Wherli from the forest service. They are working on the retaining walls for the bike trail. The construction will not impact the Canyon2Canyon race. Jade opened the website registrations. Jean working on radio ad, same as last year just includes the registration fee information this year. Do we letting riders know the trail will be the same as last year? Jean recommends just posting they are still working on the trail. Just let riders know the bumps will still be there this year. The command station at the top of Red Canyon usually warns the riders before they drop off in the canyon. Can we put flags near the bumps again? Forest Service did have orange markers on the bumps. Maybe have signs at the registration desk notifying them of the possible bumps in red canyon. Mayor will work on the driver list to shuttle bikes. The grand prize bike is here. We did not get the advertising grant but did receive the event funding from the travel council. Coalition should be covering the shirts. Recommended to run ad in the local newspaper. Push the radio and social media sites.

D. Founders Day Party – Tuesday August 16th, 11:30-3:00 PM. Purchase food and bounce houses. Schedule city workers to help with food: Bounce houses cost around \$1500.00 and the food around \$2000.00. Motion made by Mike to purchase the bounces houses and food again this year.
