- NOTICE OF PUBLIC HEARING -
WOODRUFF TOWN GENERAL PLAN UPDATE

Woodruff previously gave notice of its intent to update the General Plan in 2021. In accordance with Utah State Code 10-9a-204, Woodruff hereby gives notice of a public hearing to modify and possibly recommend the adoption of the proposed Woodruff Town General Plan. The draft General Plan addresses long-range planning for the entire community. The proposed amendments include comprehensive elements amending existing city plans and policy for growth and development within, and around, Woodruff. The plan primarily considers land use, housing, transportation, and capital investment issues within the political boundaries and proposed annexation areas of Woodruff Town.

All affected entities should provide any relevant information or comments that could or should be considered in the adoption and implementation of the General Plan. Please include impacts that any proposed goals and policies may have within the Town that an affected entity is considering which may conflict with the proposed General Plan.

For more information, and to provide comment, please plan to attend the Public Hearing on the draft General Plan on August 9, 2022, at 5:00 pm at Woodruff Town Hall located at: 195 S Main St, Woodruff, UT 84086.

Interested parties are encouraged to subscribe to future notices through the State Public Notice website (<http://www.utah.gov/pmn/index.html>) for further information including detailed meeting agendas and other issues related to the planning process.
