IMPROVED MOBILITY

Clinton and Sunset

Sunset City Council

UDOT Update
August 2, 2022

PROJECT OVERVIEW

1800 North
IMPROVED MOBILITY
Clinton and Sunset

UDOT will construct a new I-15 interchange at 1800 North. I-15 will include four general purpose lanes, one HOV/Express Lane and one auxiliary lane in each direction

1800 North from the interchange to 250 West will be three lanes each direction with dual left turn lanes at the signalized intersections

1800 North will be widened to five lanes from 250 West to 2000 West with shoulders and accommodations for active transportation
