

South Jordan Arts Council Minutes

South Jordan City Hall, Balsam Conference Room
1600 W. Towne Center Drive, South Jordan, UT 84095
Thursday, August 25, 2022 at 7:00 P.M.

Members Present: Janis McClellan, Kelly Holtman, Heather Smith, Aldo Del Bosque Jason McGuire, Janell Payne

Members Absent: Jennifer Fisher, Laura Gailard, Clarissa West

A. Welcome, Roll Call, and Introduction: Heather Smith

B. Minute Approval

B.1. June Minutes: Heather Smith motioned to approve and Kelly Holt seconded.

C. New Business:

C.1. Broadway Kids with Riverton Arts Council Review

Heather Smith reported that the Riverton Arts Council was very happy with how the production went. Riverton, Herriman, and Midvale Arts Council chairs will be meeting to discuss the Broadway Kids and potentially working together to host the program. Heather will be attending and report back to the South Jordan Arts Council.

C.2. City Council Report Date: October 4, 2022

The Arts Council is on the October 4 City Council Study Session agenda. The goals of this report were discussed amongst the group and it was determined that this interaction with the City Council should be primarily to give a report on projects and progress made over the last year. The Arts Council also would like to use this time with City Council to provide information on recent theater productions, how they have been progressing, and have some discussion on how to sustainably move forward in that area in the future.

C.3. Sock Puppets

Janell Payne has been in contact with the Sock Puppet improv group about resuming Gale Center facility use for their shows. Janell is currently waiting to hear back from the group organizers about which dates they are interested in. An update will be provided as discussions progress.

C.4. Jordan River Trail Proposal Reviews

Janell Payne facilitated a review of the Jordan River Trail Mural Artist Proposals with the group. Gerry Swanson was selected for the project, while many of the proposals were identified as potentially great fits for other future public art projects. For the Jordan River Trail mural installation, the group discussed the community involvement portion, to be held in conjunction with the Get to the River event on September 24. Volunteers will be needed in order to help facilitate attendee painting. Arts Council members were open to helping with this. Janell will send out details after discussing needs with the artist.

C.5. Secretary Position

An Arts Council member secretary position was discussed. This position would be responsible to take meeting minutes, send out meeting reminders, etc. At this point, Janell Payne is comfortable continuing to complete those tasks. When the new Arts Coordinator is hired and starts, this topic will be reevaluated based on the need at that time.

D. Unfinished Business:

D.1. Annual Training Follow-up

Kelly Holt completed the online training. Janell will resend the link out to Arts Council members.

D. 2. Arts Council Work Session Scheduling

The Arts Council would like to tentatively plan on scheduling their regular October meeting to start early- at 6:30pm and use that date as a longer and more in depth planning meeting for the next fiscal year. This will allow time for any new budget requests to be submitted through the City's budgeting process.

Misc. Items

- Arts Council members expressed the desire to move monthly meetings back to the second Thursday of each month, beginning in September. All were in favor of the schedule change.

Meeting Adjourned: Jason McGuire motioned adjourn and Heather Smith seconded.

8:00pm
