To the Utah State Charter School Board,

The Excelsior Academy Board of Trustees is requesting the delay of expansion from an elementary and middle school, to an early elementary, elementary, middle school, and high school for the 2023-2024 school year. We are asking that the delay move the requested starting year to the 2024-2025 school year. Thank you for working with the EA Board as we work towards the success our students.

Sincerely,

A handwritten signature in black ink that reads "Brandon Clark". The signature is written in a cursive, slightly slanted style.
