Hazards:

Wires
People
Sheds
Lights

Equipment:

Chipper
Giant
Grapple 1 day

Possible crane in parking lot for one day.

Note plan is to broadcast chip in the canal. Any material not able to be chipper needs to be hauled. If we can't broadcast chip will need Kevin to see if we can dump at Dimple Dell Park. We will only be able to cut trees to point where metal enters them. Some of these may be left 4' high if fence has grown into them.
