**Notice of Intent to Prepare a
Storm Water, Drainage, and Flood Control Facilities Master Plan**

PLEASE TAKE NOTICE that Herriman City, Utah, intends to prepare an updated Storm Water, Drainage, and Flood Control Facilities Master Plan. The proposed update is for approximately 315 acres to the west of the City for which an annexation petition has recently been filed.

This notice is given pursuant to Utah Code Ann. 10-9a-203, and is being sent to those entitled to such notice under Utah Code Ann. 10-9a-203(1), including each “affected entity” under Utah Code Ann. 10-9a-203(1)(a).

Each of the Affected Entities is invited and will have several opportunities to provide information for the City to consider in the process of preparing, adopting, and implementing the Proposed Plan concerning (a) impacts that the use of land covered by the Proposed Plan may have on such Affected Entity; and (b) uses of land within the City that such Affected Entity is planning or considering that may conflict with the Proposed Plan.

Information, public meeting schedules and other issues related to the process may be found by visiting the Herriman City website located at www.herriman.org. For more information concerning the Proposed Storm Water, Drainage, and Flood Control Facilities Master Plan, you may contact:
