Summit Academy

Summit Academy Preschool

- 3 New Preschool Playgrounds were finished over the summer have been finished!
- The Preschool summer camp that the preschool put on Camp for kids was a huge success, we had a lot of positive parent feedback, many fun field trips, on the last day of camp we had a carnival with games, face painters and balloon twister.
- Our morning 4-year-old classes are full with waitlists, the new afternoon classes are filling quickly!
- Adding 3-year-olds to Independence and Bluffdale has had positive parent feedback, Bluffdale 3s, Draper 3s are full. Independence is on its way to be full soon. We are excited to see those preschools full!

Draper-

Ms. Hatch: Enrollment is up. We were able to open another full day Kindergarten class. We now have 2 like the other campuses. That will help as they come into 1st grade.

- Looking forward to having our "bring your parents to school night" for our 6th-8th graders. We are going to go through their kids whole schedule. We will show them how to access Aspire and Canvas.
- Our School is 1:1 with devices for 5th-8th graders. They will be assigned their own Chromebooks this year.

Independence-

Lisa Cutler: The Community Engagement team has been a huge success with great changes. Our team consists of the Mayor of Bluffdale, Mtech, Quench-it, and community parents. We had some meetings and they gave us feedback and we made adjustments. We sent out some videos about how to do SIS and some others. We had flexibility for different families and that really made a difference. That is a great partnership. We have been invited to join APA and maybe some other schools to read the constitution from Bluffdale City Hall the week of Constitution Week, which is September 22nd. We may alternate to other City Halls like Draper. We would alternate back and forth. We would have all of our campuses representatives. We can find parents in service oriented professions. We have invited the Mayor of Draper and Bluffdale. APA has been doing this for some time, but we will participate this year.

Mr Zentner asked what they hoped to accomplish by having a Community Engagement team, and Ms. Cutler explained that they bring more perspective about how to engage parents from the community.

Bluffdale-

- We had a wildly successful Back to School Night. Happy children, happy parents, happy teachers. There was a lot of positive energy there.
- We have a lot of new families, so we had a new Family segment.
- Our Spanish teacher has arrived safe and sound. Our community pulled together and helped with housewarming gifts and transportation around town. The Hoffman's hosted them for the first 2 weeks and we are very appreciative of the time that they gave. A lot of work goes into that. They helped her with paperwork. Everything is done and they are just supporting her in getting her a car.
- The school is adding more diversity to the school with the Spanish immersion. The students see themselves in their teachers.
- The retreat was fantastic this year. The teachers are so perky in June! They are on a high with setting goals for the coming year. The teachers are on fire! They love the individualized direction that they are going. They looked at goals for individual students. The power and passion coming from the team was amazing.
- We also managed to enroll 2 all-day kindergarten classes. We are off to a terrific start with our new Kindergarten teacher.

Summit Academy High School

Ms. Grimmer: With the passing of our "Voice of the Bears" Jason Kupiec, who passed away from cancer, We are honoring his memory by naming our announcing box over the football stadium after him. We have also ordered stickers for our players helmets. At our Blue and Gold game we raised over \$3000 for his family. He meant a lot to Summit Academy.

- Our HOSA club has received national recognition for being the top third in the country on getting donors for Be the Match. We held events at our campus. Our two teachers Dr. Marshall and Kelly Jones as well as three students are being flown to the headquarters in Minneapolis to be honored.
- We are excited for the school year to start! We are introducing more
- The retreat was amazing. The teams created a theme for the high school this year. The Theme for this year is "Summit Academy High School intentionally builds a community of lifelong learners, who question, collaborate, innovate, lead, and thrive."

Mr. Clark emphasized how important the retreat was this Spring. When Kim first joined Summit, she got sponsorships for the retreat. The sponsors for our retreat are Mountain America Credit Union, Oxygen Marketing, and Gallagher- our Insurance Company. They really dug deep and helped aid in making it a great retreat for all of those who participated this year. One special thing that Dianna spoke about was each group getting together and forming those bonds with one another.

Finance Report- Brad Wilkinson

Joint LEAs- July is our busiest month.

July Financial Statement- our auditors will be here next week. We have a special single audit this year due to the Covid Money and the reimbursed lunch program. During that audit, they will usually contact one or two board members. They usually rotate it. They will ask financial questions and they

usually center around fraud. Over the summer, we had chosen a new insurance carrier for our staff. We have decided to go with Blue Cross Blue Shield. There is a 5% increase to Summit Academy. No staff will have an increase in medical costs at all. Mr. Clark really wanted to thank Brad for all of the hard work in digging deep so that their employees didn't get an increase this year. Hopefully it is a seamless transition. We have also opted to offer a life insurance plan if they so choose. It is basic, but then they can choose to buy up if they would like. It was a good quote for Afllac. The other thing they worked on was the ERC credit. We worked through a 3rd party to see if we qualify. We have to be impacted more that 10%. We have submitted that and they found that we qualified. We will get a chunk of money to help fill the gap to meet the bond covenants. For this year, we will use \$200,000.00 to cover the gap. It is unrestricted and will wait and see how much we qualify for. Mr. Petit did a great right up. There is lots of money out there to help with COVID Relief.

- Unaudited FY22 Numbers- From a Summit Academy perspective, they plan to meet a net income of \$600,000.00 to meet bond Covenants. It will look a little goofy because of when the contracts run.
- Finance Update- Next month we will go a little bit deeper into the financials. We are just getting started.

Bob Zentner asks about the enrollment number and it looks a little bit better than they were thinking. Brad states that between the three campuses, they are just about on budget. The high school budgeted for 535, and it looks like maybe 537. It is our break even. There most likely won't be any major changes. Jon Eborn says that October 1 is the number. It is critical that we keep enrollment up and sign students up throughout the year. All Day kindergarten is only funded at .5. From a budget perspective, we are about where we budgeted for.

3303 Library- the purpose of this policy is to protect children from pornography. We can put together a committee to check materials, but we are very confident that our library does not currently have any of the materials in question. Bob Zentner is asking about whether or not it includes any other materials. We would have a form on our website that parents could fill out and turn in. Joel Woodruff is asking if there was a rush to have this policy in place. They are asking that the policy be approved by the end of September. Joel Woodruff would like to spend some more time to be more specific. Chris Lynn reminds him that they can approve this policy, and can always change it in the future. Chelsea Welch mentions that it states a parent, but she is wondering if caregiver could be used in the wording and Chris Lynn said that parent is specifically stated. It can only be a parent. Scott Petit points out that it should be a parent or guardian. This is a new policy and there will surely be updates. Chris Lynn would like to see a report next year as to how many of these we see in a year. That is the time to change a policy.

A Motion to approve the 3303 Library policy for Summit Academy and Summit Academy High School was given by Chris Lynn.

- 1207 Grievance Policy This policy needs some edits to make it more clear so they will revisit this policy next month. Chelsea Welch will suggest some new language on this one.
- Literacy Plan This year we are focusing on first Grade. It is our goals for this year for first grade. Our Early Literacy Team has been working on this and has submitted it to USBE, and they have approved it and we are just waiting for the board to approve it. Those goals are the ones that we need to meet in order to continue to receive funding.

This is the first year that we have been asked to include a Math goal, so there are 2 literacy goals and one math goal. Summit chose 1st grade. It had to be 1st, 2nd, or 3rd grade.

A Motion to approve the Literacy Plan for Summit Academy was given by Marcia Whitman.

Employee Handbook - There haven't been any changes to this in a lot of years. We had a 0 lot of different people look at it. Bob Zentner had some questions that he is asking that Mr. Clark answers his questions. The policy takes effect as soon as the board approves it. Mr. Clark is asking who decided what is "attractive". Mr. Clark wants to make sure that the staff know what the professional boundaries are. He would like staff to make the decisions about what they think is professional. If a principal has an issue, then they would bring it up with the teacher. Chris Lynn wonders if they as administrators would rather have the conversation or would they rather the policy make it clear? Mr. Clark reads about wearing Jeans on Friday, and he continues that yes, if they agree to wear a Summit Academy shirt district wide. Robyn Derbidge adds that they can design a shirt that will bring unity. Chris Lynn: He thinks that it should be more clear in the policy. Robyn Derbidge states that times are changing if we aren't more flexible. She thinks that we have to be more flexible in order to attract more teachers. She thinks that it is up to the principals. Bob Zentner says that if he were an employee and the principal has to chastise the employee due to inappropriate dress. Then he goes to the other campus and is not chastised, there isn't consistency. Dianna Brantley would like to be covered better in the policy so that she isn't making a judgment call. She is following policy. Angela Grimmer likes the opportunity to have discussions with staff and parents. Chris Lynn says that the way it reads is that Coaches stay 30 minutes after the school day. He thinks that it is 30 minutes after the school day ends, not 30 minutes after the last student leaves. Chelsea Welch would like this to be flexible and say that it is up to administrators discretion. Mr. Clark is in favor of having the principal's discretion in everything. Mr. Eborn doesn't think that we are going to be able to settle this tonight. Jon Eborn doesn't want to make decisions about dress code for Staff. Bob Zentner says that the Staff dress code needs to be updated. He says that they used to say that Staff ought to dress better than the students. He thinks leaving it the way it is may be too broad. Chelsea Welch would like a professional standard. She would like a legal standard. She doesn't want to put administrators in a difficult position. Marcia Whitman suggests stating what is considered professional. Joel Woodruff suggests looking at the Canyons and Jordan District and what they say about Staff dress code. Jon is concerned about opening the principals up for liability. Mr. Clark will take this handbook back and work on this a little more and bring it back next month.

Safety and Security Update:

Scott Petit. A buzzing system has been installed at the Draper Campus. Whoever comes to the door, they must push a buzzer and talk to someone and be let into the building. It is working pretty well. We now require every vendor to wear an ID that is scanned and is run through the international database to see if they are safe. They recently updated the fire safety code. We are really trying to mitigate things that could happen. We don't want to trade convenience for safety. Bob Zentner wants to know what the procedure is for the Elementary School building. Lindy Hatch explains that every teacher has a key fob to allow students to go to the bathroom inside the building. Mr. Clark states that they are always trying to improve safety. We will be doing our own Safety audit. It is on a point system. That is based on best practices. It will allow us to look at every detail and know where and how to improve our safety. Safety comes down to practice and habits. We don't want to trade safety for convenience. Mr. Zentner wants to know what the procedure is for the Elementary now as it is more than one building. You have to have a key card to get into that building. You have to be escorted by the adult with that keycard.

Exhibit A - All of the Charter has been accepted except the situation with the board Bylaws. There are three options: A, B, and C. This is the last piece that we have to reconcile. After we decide, then it will go back to the authorizing committee. Option A: Keeps the language we used before. Include the bylaws in the appendix. Option B: Not the favorite. Option C: Is the exact opposite- Ten gets built out. We are choosing between A & B. Chris Lynn says that option C is the best option. If they don't agree, then they will go to Option A.

Board Recruitment-

Jon Eborn states that the board will be at 6 members in a month. We need to recruit more board members. They have some options that they would like to get solid. Chelsea would like to see a wider net cast for board members. We don't want to recruit more than two board members within a single year. Mr. Eborn would like to ask that the new board members not all leave at once. He doesn't want to be out of compliance. Jon and Robyn will get to work on recruiting new board members.

Training Needs- Next Meeting, coming in an email.

Training Log- Chelsea created a log. Keep track of it there.

Thank you cards- We will do that next time. Principals need to get a couple of names to the board each month.

Schedule Portrait Of A Graduate focus Group-

Mr. Clark talks about what knowledge and skills graduates from SAHS can we guarantee that graduates will have when they graduate. We have been working on this for a few months. What are the trends? The board is a stakeholder. They are crucial to the process. We are going to put together a focus group and be comprehensive with all of our stakeholders. We need to schedule a time for that to walk you through that. We would like all of the groups to be done by the end of November. We would like to get it scheduled. It is best done in a work session. It will take about an hour and a half. The director and board chair will work together on picking a date.

A. Purpose

The purpose of this section is to establish policy for the fiduciary responsibilities and duties involving public funds. This section applies to all Summit Academy administrators, licensed educators, staff, students, organizations, and individuals who handle public funds.

The Governing Board of SUMMIT ACADEMY CHARTER SCHOOLS, INC. has reviewed and adopted the following policies and procedures to ensure the most effective use of funds and to support and ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

1. The Governing Board formulates financial policies and procedures, delegates administration of the policies and procedures to the Executive Director and reviews operations and activities on a regular basis.

2. The Executive Director has responsibility for all operations and activities related to financial management. However the Executive Director nay delegate the day to day implementation and execution of financial policies and procedures to a designee (Business Administrator).

3. Financial duties and responsibilities must be separated so that no one employee has sole control over cash receipts, disbursements, payrolls, and reconciliation of bank accounts.

4. No funds or accounts may be established or maintained for purposes that are not fully accurately described within the books and record of the LEA, The purpose of the financial policies and procedures manual is to provide staff and leaders with a systematic approach to implementation of policies, plans, and work routines. It should be used to communicate organization financial policies and the appropriate procedures for implementation of the financial policies. Policies should not be confused with procedures as defined below:

Policy: A policy is a definite course or method of action to guide and determine present and future decisions. It is a guide to decision-making under a given set of circumstances within the framework of organization objective, goals, and management philosophies.

Procedure: A procedure is a way of accomplishing a task or assignment, as established ways of doing things, a series of steps followed in a definite regular order. It ensures the consistent and repetitive approach to actions.

Additionally, this manual is an invaluable communication tool to ensure optimum operations when applied consistently to all employees of the LEA and will allow the delivery and communication to everyone in the same manner. It is also intended to be a functional guide for training new and existing employees and should prevent difficulties in performing duties due to lack of understanding or inconsistent approaches from personnel changes.

INTERNAL CONTROL SYSTEM

The Charter School's internal control system comprises the policies and procedures established to provide reasonable assurance that specific LEA objectives will be achieved.

Accounting responsibilities, procedures, and policies should be implemented and designed to prevent: 1. Misstatement of account balances because errors go undetected (both intentional and unintentional); and,

2. Misappropriation of cash and other resources of the LEA. These objectives are pursued through a sound internal control structure which is carefully established and meticulously followed by accounting personnel. Such an internal control structure can also tend to promote operational efficiency.

From a financial statement perspective, the LEA's internal control structure is comprised of the control environment, the accounting system, control procedures and internal control systems. These elements of the internal control structure are as follows:

Control Environment The control environment encompasses the collective effect of various factors on establishing, enhancing, or mitigating the effectiveness of specific policies or procedures. The control environment includes such factors as management's philosophy and operating style.

1. The LEA's organizational structure.

2. The functioning of the Board of Trustees

3. Methods of assigning authority and responsibility.

4. Management's control methods for monitoring and following up on performance, including internal reviews.

5. Personnel policies and procedures.

6. Various external influences that effect the LEA's operations and practices, such as examinations by regulatory agencies.

The control environment reflects the overall attitude, awareness, and action of the Board of Trustees, Administration, and others concerning the importance of control and its emphasis in the LEA.

Accounting System

The accounting system encompasses the methods and records established to identify, assemble, analyze, classify, record, and report the District's transactions and to maintain accountability for the related assets and liabilities. An effective accounting system gives appropriate consideration to establishing methods and records that will:

1. Identify and record all valid transactions.

2. Describe on a timely basis the transactions in sufficient detail to permit proper classification of transactions for financial reporting.

3. Measure the value of transactions in a manner that permits recording their proper monetary value in the financial statements.

4. Determine the time period in which transactions occurred to permit recording of transactions in the proper accounting period.

5. Present properly the transactions and related disclosures in the financial statement

Control Procedures

Control procedures encompass those policies and procedures, in addition to the control environment and the accounting system that Administration has established to provide reasonable assurance that specific District objectives will be achieved. Control procedures pertain to:

1. Proper authorization of transactions and activities.

2. Segregation of duties to reduce the opportunities to allow any person to be in a position to both perpetrate and conceal errors or irregularities in the normal course of his or her duties. A sound segregation of duties entails assigning different people the responsibilities of authorizing transactions, recording and reconciling transactions, and maintaining custody of assets.

3. Design and use of adequate documents and records to help ensure proper recording of transactions and events, such as monitoring the use of pre-numbered documents.

Internal Control Systems

1. Provide adequate safeguards over access to and use of assets and records, such as secured facilities and authorization for access to computer programs and data files.

2. Independent checks on performance and proper valuation of recorded amounts, such as clerical checks, reconciliations, comparisons of assets with recorded accountability, computer-programmed controls, administrative review of reports that summarize the detail of account balances, and user review of computer-generated reports.

This policy is established pursuant to Utah Code 63G-6a-101 *et. seq.* and Utah Administrative Rules, Tile R33, and requires all Summit Academy employees to comply with the same. The Summit Academy Board of Trustees has authority to establish procurement policies that are more restrictive than State laws or rules. D. Federal Law Requirements (Procurement and Allowability)

(I)This policy is established pursuant to Federal Code (200.318)

Except where otherwise authorized by statute, costs must meet the following general criteria in order to be allowable under Federal awards:

(a) Be necessary and reasonable in price for the performance of the award and be allocable thereto under these principles.

(b) Conform to any limitations or exclusions set forth in these principles or in the award as to types or amount of cost items.

(c) Be consistent with policies and procedures that apply uniformly to both federally-financed and other activities of Summit Academy.

(d) Be accorded consistent treatment. A cost may not be assigned to an award as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated to the award as an indirect cost.

(e) Be determined in accordance with generally accepted accounting principles (GAAP.

(f) Be adequately documented.

(g) Cost must be incurred during the approved budget.

(ii)(200.319)

All transactions for acquisition of property or services required under Federal Award must be conducted in a manner providing full and open competition.

(iii) 200.213 Inventory Management (use of Federal Funds)

- (a) All equipment used by Summit Academy with use of Federal Funds will be used in the program or project for which it was acquired.
- (b) All equipment and supplies used by Summit Academy with a Federal Award will be inventoried and records will be maintained which will include a Description, serial number, source of funding, acquisition date, and cost.
- (c) A physical inventory will be conducted at least every two years.
- (d) A control system will be in place to ensure adequate safeguards to prevent loss, damage, or theft.
- (e) If Summit Academy is authorized or required to sell the property proper sales procedures must be established to ensure the highest possible return.

(f) *Disposition.* When original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a Federal awarding agency, except as otherwise provided in Federal statutes, regulations, or Federal

Summit Academy Fiscal Policy Manual – 2019 Section 5 – Procurement

awarding agency disposition instructions, Summit Academy must request disposition instructions from the Federal awarding agency if required by the terms and conditions of the Federal award. Disposition of the equipment will be made as follows, in accordance with Federal awarding agency disposition instructions:

(1) Items of equipment with a current per unit fair market value of \$5,000 or less may be retained, sold or otherwise disposed of with no further responsibility to the Federal awarding agency.

(iv) CFR 200.430 Time and Effort Accountability

All employees who are paid in full or in part with federal funds must keep specific documents to demonstrate the amount of time spent on grant activities. (2 C.F.R. Part 200.430(i)(1))

In addition, employees who are paid from state and local funds, but whose salaries are used for cost sharing or matching, must also keep time and effort documentation. (§ 200.430(i)(4)) Charges to federal awards for salaries and wages must be based on records that accurately reflect the work performed. In accordance with § 200.430(i)(1), these records must:

• Be supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;

• Be incorporated into official records;

• Reasonably reflect total activity for which the employee is compensated, not exceeding 100% of compensated activities;

• Encompass both federally-assisted and all other activities compensated by the agency on an integrated basis;

• Comply with the established accounting policies and practices of the agency; and

• Support the distribution of the employee's salary or wages among specific activities or cost objectives. Budget estimates or other distribution percentages determined before the services are performed do not qualify as support for charges to federal awards, but may be used for interim accounting purposes provided that the system for establishing the estimates produces reasonable approximations of the activity actually performed. (§ 200.430(i)(1)(viii))

Time and Effort Procedures To meet the above requirements, all employees who must complete time and effort forms must submit either a semi-annual certification or a personnel activity report (PAR) as required below. The type of form depends on the number of cost objectives that an employee works on. A cost objective is a program, function, activity, award, organizational subdivision, contract, or work unit of which cost data are desired and for which provision is made to accumulate and measure the cost of processes, products, jobs, capital projects, etc. (2 C.F.R. Part 200.28) All employees whose work is funded fully (100%) by a single cost objective or grant award must complete a semi-annual certification. The semi-annual certification must be: 1. Completed at least every six (6) months (twice a year);

2. Be signed by the employee or the supervisor with direct knowledge of the work being performed;

3. Reflect an after-the-fact distribution of the actual activity; and

4. Account for the total activity for which each employee is compensated. A PAR must be completed if an employee is funded partially on one (1) or more grant cost objective(s). It provides a written record of an employee's work activities used to document that employee's time to grants or projects. It must be completed monthly and supported by a daily calendar of activities. All employees who work on multiple cost objectives must complete PARs that support the distribution of their salaries /wages that meet the following standards:

1. Reflect an after-the-fact distribution of the actual activity, not a budget estimate;

2. Account for the total work activity for which each employee is compensated; 3. Be prepared at least monthly (a separate PAR for each month) and coincide with one (1) or more pay periods; and 4. Be signed by the employee. All employees who are paid in full or in part with federal funds must keep specific documents to support the amount of time they spent on grant activities as reflected in each PAR. This includes an employee whose salary is paid with state or local funds but is used to meet a required "match" in a federal program. These time and effort records should be maintained in order to charge the costs of personnel compensation to federal grants. Examples of records used to support the time entered in a PAR include desk calendars or written records of activity for each day/week, etc.

- 4. Where only one source of supply exists, the Business Administrator, or designated agents, shall negotiate the price and quality and conditions of delivery.

G. Purchases and Procurement Thresholds

- 1. Schools and departments are authorized to make necessary purchases within stated procurement thresholds. The dollar thresholds for purchases are to be applied to the whole purchase, not individual items.
 - a. A "small purchase" is the procurement of goods or services for which the total cost is less than \$50,000 (Utah Code 63G-6a-408). Under that amount, there are additional dollar thresholds that must be applied to specific types of purchases.
 - b. The "individual procurement threshold" for Summit Academy is \$1,000. This is the maximum amount that Summit Academy can expend to obtain a single item/service from one vendor at one time without requiring competitive purchasing procedures (Utah Code 63G-6a-408).
 - c. The "annual cumulative threshold for Summit Academy is \$50,000. This is the maximum total annual amount that Summit Academy can expend to obtain individual procurement item(s) costing less than \$1,000 from the same vendor during the fiscal year (July 1 June 30).
 - d. If a purchase exceeds \$50,000 In a single transaction, it is not considered a small purchase and shall be processed through an invitation to bid (IFB)ding process or a request for proposal (RFP) process (Utah Code 63G-6a-408 and R33-6 & 7).
 - e. If purchases from the same vendor are ongoing, continuous, and regularly scheduled, and exceed the annual cumulative threshold of \$50,000 during the fiscal year (July 1 June 30), a contract shall be utilized if feasible (Utah Code 63G-6a-408(6)).
 - f. If a purchase exceeds \$100,000, it is not considered a small purchase and shall be processed through an RFP (Request for Proposal). All information regarding the RFP process is housed with the Business Administrator (Boiler Plate Information). All RFP's will be scored by a Summit Academy Team and a winner will be selected. If Price is the only determining factor then the Invitation to Bid (IFB) process would be the appropriate process.
- 2. Without regard to amount:
 - a. If a service is to be purchased from an individual or sole proprietor, the purchase must be made with a Purchase Order and processed through the accounting department to facilitate compliance with IRS regulations concerning issuance of 1099 forms from Summit Academy.

- 3. For purchases that total up to \$1,000:
 - a. If the items being purchased are not available from a State or Summit Academy contract, the Fiscal Administrator may make a best source selection and proceed with the purchase by either credit card or Purchase Request Form/school check.

- 4. For purchases that total between \$1,000.01 and \$4,999.99:
 - a. If the items being purchased are not available on a State or Summit Academy contract, documented quotes are required, either written, via telephone, or in email received directly from the vendor, and shall contain the following information:
 - i. employee name and position;
 - ii. dates that the quoted price is valid and anticipated delivery date;

 - ii. If the payment is made with a School Purchase Order the supporting quote documentation is retained with the school purchase order.
- 5. For purchases that total over \$5,000:
 - a. The employee initiates the purchase using a Purchase Order Request Form. All such purchases are required to be approved by the Business Administrator. Once the Purchase Order Request is approved, it will be processed as follows:
 - i. Purchases up to \$49,999.99 Administrative Office will obtain and document quotes, select the best vendor based on criteria such as price, availability, quality, etc., then issue a Purchase Order.
 - Purchases of \$50,000 and over Administrative Office will obtain formal bids, select the best vendor based on price, availability, quality, etc., submit a recommendation to the Summit Academy Board of Trustees, then upon Board approval, issue a Purchase Order.

- 6. Artificially Dividing a Purchase:
 - a. It is unlawful to intentionally divide a procurement purchase into two or more smaller purchases, to divide an invoice or Purchase Order into two or more invoices or Purchase Orders or to make smaller purchases over a period of time (Utah Code 63G-6a-408).

 - c. Purchase splitting often occurs when making purchases on a credit card. Employees should not split invoices to stay under single transaction purchase limits on credit cards or the established purchasing thresholds.
 - d. It may be determined after an order is placed or received that a large enough quantity was not ordered, or the correct sizes were not obtained, and additional items must be ordered. If this occurs, the employee initiating the purchase must include a written explanation of the purpose of the purchase and justification as to why it is not considered splitting a purchase. This should be retained with the vendor invoice.
 - e. Penalties for dividing purchases range from a class B misdemeanor to a second degree felony, depending on the total value of the divided procurements

H. Ethical/Legal Standards in the Utah Procurement Code

State law mandates that **all public employees** comply with ethical/legal standards when administering or using public funds. Utah Code 67-16-4 & 5 *et. seq.* outlines conduct considered unlawful and proscribes penalties for violating these ethical laws.

67-16-4. Improperly disclosing or using private, controlled, or protected information – Using position to secure privileges or exemptions – Accepting employment that would impair independence of judgment or ethical performance – Exception.

The evaluation is designed to aid the 504 Team in determining if there is a substantial limitation that creates a significant barrier to the student's ability to access the same educational opportunities afforded to non-disabled students. 29 USC 705 (20)(b).
 - A. When a student's impairment limits their ability to function in areas other than learning, such as medical impairments such as asthma, cancer, diabetes, etc., breathing, walking, seeing, hearing, and many others, the 504 Team may determine that a review of all relevant data, that may be provided by teachers, parents, and healthcare professionals, is sufficient. The determination will consider the impact of the disability in the educational setting, during extra curricular activities, and the impact of education demands in the home.
 - B. When a student's impairment is a type that may limit learning directly in a substantial way (e.g., ADD, depression, learning disability, etc.), the 504 Team will consider the need for an educational evaluation. The 504 Team may determine that a review of relevant data is sufficient.
- 2. After the schools receives a parent, legal guardian or adult student Consent to Evaluate and at the request of the principal or 504 Director, appropriate school, LEA or contracted personnel shall initiate a prompt evaluation of the student's disability and the manner in which it affects his/her major life activities and/or educational performance.
- 3. An evaluation will occur prior to any decision to significantly change the eligible student's placement.

VII. Eligibility Determination

1. Eligibility

- A. Following the evaluation and gathering of all relevant data, the 504 Team shall meet to determine the student's eligibility for reasonable accommodations and special services under Section 504 and the ADA. The school team shall consider all applicable information and draw upon evidence from a variety of sources, including but not limited to:
 - 1. Data from aptitude and achievement tests;
 - 2. Grades and other measures of educational performance;
 - 3. Teacher and/or school personnel observations and recommendations;
 - 4. Parent observations and recommendations;
 - 5. The student's physical condition and medical status, as reported by qualified health care providers;
 - 6. Health care plan; and/or
 - 7. The student's adaptive behavior (Functional Behavior Assessment FUBA or Behavior Intervention Plan BIP).

2. Written Decision

- A. When a full educational evaluation, that may include formal assessments and/or standardized testing, is deemed necessary, the 504 Team will meet within 45 school days of receiving the Consent to Evaluate to consider all relevant information and determine the student's eligibility. The 504 Team shall issue a written decision regarding the student's eligibility for reasonable accommodations and/or special services using the LEA's "Identification Form."The parent, legal guardian, or adult student will be provided with a copy of the document.
- B. When a full educational evaluation is deemed unnecessary and after the collection of all relevant information is completed, the 504 Team will meet within 15 school days to consider all relevant information and determine the student's eligibility. The 504 team shall issue a written decision regarding the student's eligibility for reasonable accommodations and/or special services using the LEA's "Identification Form." The parent, legal guardian, or adult student will be provided with a copy.
- C. . Should the 504 Team determine that the impairment, that limits a major life activity and/or bodily function, does not significantly create a barrier to the

student's ability to access the same educational opportunities afforded to nondisabled students, the 504 Team shall document the finding in writing, and provide to the parent, legal guardian or adult student:

1.A copy of the Identification Form

- 2. A copy of supporting evidence
- 3. Written notice of the LEA's Section 504 Parent & Student Rights and Safeguards

4. Section 504 Plan

- A. If the 504 Team, including a school administrator that has authorizing authority, determines that the impairment substantially limits a major life activity and/or bodily function to a degree that it creates a significant barrier to the student's ability to access the same educational opportunities afforded to non-disabled students, the 504 Team will develop a Section 504 Plan using all relevant information. The 504 Plan will include:
 - 1. Description of the student's disability with the possible impacts the disability may have in the educational, extra-curricular or home setting.
 - 2. Subjective information that may include the student's behaviors, class and peers interactions, how particular accommodations and/or services are working.
 - 3. Objective information describing the student's performance in the educational and extra-curricular environments that is evidenced based. (grades, attendance records, time in class/time out of class, assignment and test completion.)
 - 4. Explain how the disability is creating significant barriers in the general education, extra-curricular and home settings.
 - 5. Describe how the 504 Team plans to move forward with the relevant information.
- B. The school 504 Coordinator will provide a copy of the 504 Plan to the parent, legal guardian or adult student and give notification to all staff members that are required to provide, and have a need to know they may need to provide, the necessary reasonable accommodations and/or special services as

determined by the 504 Team.

5. Concerns and Grievances

- A. The best solutions to parent, legal guardian or adult student concerns occur at the school level. The first step in resolving a complaint should involve the school principal and/or school 504 Coordinator, working with the parent, legal guardian or adult student to find a mutually acceptable resolution of the concern(s). When concern(s) cannot be resolved informally, the parent, legal guardian or adult student may seek formal resolution under the Summit Academy School's 504 grievance process. The parent, legal guardian or adult student will be referred to the following steps in the complaint resolution process.
 - a. LEA Investigation

 - 2. A person filing the complaint must submit the 504 Grievance Form in person or electronically to the 504 Director.
 - 3. The 504 Director will acknowledge the receipt and respond to the complaint, in writing, to the complainant within ten (10) school days.
 - 4. Upon receiving the 504 Grievance Form, the 504 Director will provide a copy of the 504 grievance procedures, to the complainant, and investigate all concerns in accordance with Section 504 of the Rehabilitation Act.
 - 5. The 504 Director will review the grievance and meet with the complainant to hear their concern/s.
 - b. Mediation
 - If the concern is not resolved at step one, and both parties agree, the 504 Director will coordinate a mediation between the parties involved in an effort to resolve the complaint/s.
 - 2. Should the mediation resolve the complaint, no further action is needed. The results of the meeting will be dated and documented, in writing, then shared with both parties within (10) school days.
 - 3. If the mediation does not resolve the complaint, the 504 Director will inform the complainant of their right to an impartial hearing.

B. Section 504 Eligibility Determination

1. Any parent or legal guardian, teacher, counselor, or other school staff member who believes that a student needs accommodation for a qualifying disability can request an evaluation. The individual must fill out a "Referral Form" and submit it to the school's 504 Coordinator.

2. In cases where a student is experiencing academic and/or behavioral difficulties, the school's 504 Coordinator should first consider a review by a Response to Intervention (RTI) Team to discuss and evaluate the student's difficulties.

-2.1. The school's Administrator determines which individuals are to serve on the RTI Team (parent/legal guardian may be a member of the RTI Team.

2.2. The formation of the RTI Team and the use of early interventions should be clearly communicated, preferably in writing, by the school's 504 Coordinator to the parent/legal guardian of the student.

3. The RTI Team reviews available information and data, suggests appropriate classroom interventions, and proposes appropriate mitigating measures to help correct the difficulties encountered by the student. If the early interventions are successful, the RTI Team will continue to implement any necessary interventions and monitor the student under an informal intervention plan, as may be appropriate under the circumstances. If the early intervention strategies are unsuccessful, the RTI Team should make a referral for evaluation under Section 504, special education, Title I, or other appropriate school program.

4. If the RTI Team makes a referral for evaluation under Section 504, the school's 504 Coordinator will send the "Section 504 Written Prior Notice," "Section 504 Permission to Evaluate," and "Procedural Safeguards" forms to the student's parent(s) or legal guardian(s).

5. After the school's 504 Coordinator has received a signed copy of the "Section 504 Permission to Evaluate" form, the school 504 Coordinator will determine which individuals are to serve on the Section 504 Team.

5.1. The Section 504 Team shall consist of a group of persons knowledgeable about: 1) the student; 2) the disability; 3) interpretation of evaluation data; and 4) someone who can commit school district resources (if applicable) for any required accommodation.

5.2. The RTI Team may also be able to serve as the Section 504 Team.

5.3. The student's parent/legal guardian should be a member of the Section 504 Team. While parents are not required members of a Section 504 Team, Summit Academy encourages parental participation.

5.4. The Section 504 Team's role is to review the nature of the student's impairment and determine how it affects educational access.

SUMMIT ACADEMY

6. After evaluating the applicable information, the school 504 Coordinator, along with the 504 team members, will complete the "Section 504 Eligibility Determination" and provide a copy to the parent/legal guardian of the student.

6.1. If the Section 504 Team determines that the impairment does NOT substantially limit a major life activity and, thereby, creates a significant barrier to the student's ability to access the same educational opportunities afforded to non-disabled students, the school 504 Coordinator will also provide the parent/legal guardian with a copy of the "Internal Grievance Form."

7. If the Section 504 Team determines that the impairment does substantially limit a major life activity and, thereby, creates a significant barrier to the student's ability to access the same educational opportunities afforded to non-disabled students, the team will create a Section 504 Accommodation Plan for the student that outlines the appropriate student accommodations.

-7.1. The school 504 Coordinator will provide a copy of the Section 504 Accommodation Plan to the parent/legal guardian of the student and the Section 504 Coordinator.

C. Notification

Parent(s) or legal guardian(s) will receive a written notification with regard to Section 504 as it applies to his/her student for any:

-1. Referral for evaluating or reevaluation;

2. Decisions regarding eligibility;

3. Available accommodations;

4. Placement; and

5. Any significant change in placement.

D. District Review and Right of Appeal

1.Level One:

1.1. If the parent/legal guardian disagrees with the 504 Team's identification, evaluation, determination or proposed 504 Accommodation Plan for the student, the parent/legal guardian is encouraged to first meet with the school 504 Coordinator to discuss any concerns.

1.2. If an informal discussion with the school 504 Coordinator fails to resolve the parent or legal guardian's concern, the parent/legal guardian can file a completed Internal Grievance Form with the Section 504 Coordinator. The parent/legal guardian can elect to file a written grievance with the Section 504 Coordinator without first holding the informal discussion. The Section 504 Coordinator will respond, in writing, to the parent/legal guardian's grievance and mail or hand deliver the completed Internal (School) Grievance Response within ten (10) business days.

2.Level Two:

2.1. If the Section 504 Coordinator's response fails to resolve the parent or legal guardian's concern, the parent/legal guardian must file a completed Request For Impartial Hearing with the Director's designee, the Section 504 Coordinator, within ten (10) working days of the date of the receipt of Internal (School) Grievance Response from the Section 504 Coordinator. If the parent/legal guardian fails to meet the ten (10) working day deadline, he or she will have waived any right to appeal the Section 504 Coordinator's decision.

-2.2. The Section 504 Coordinator shall arrange for an impartial hearing within fifteen (15) working days of receipt of the Request for Impartial Hearing.

2.3. A Section 504 Hearing Panel shall be appointed, consisting of (1) the Director; (2) a school principal or school 504 coordinator (other than the principal or coordinator of the student's school); and a school counselor (other than the counselor of the student's school). None of the individuals on the Section 504 Hearing Panel can have served on the student's Section 504 Team.

-2.4. At the hearing, the parent/legal guardian may be represented by counsel.

-2.5. The parent/legal guardian will be provided with an opportunity to review any relevant records maintained by Summit Academy pursuant to FERPA and Section 504.

-2.6. The hearing will be two hours maximum.

2.7. At the end of the hearing, the panel may give an oral decision or take the matter under advisement. A written Section 504 Hearing Panel decision shall be provided to the parent/legal guardian within ten (10) working days of the hearing.

3.Level Three:

3.1. If the hearing with the Section 504 Hearing Panel fails to resolve the parent or legal guardian's concern, the parent/legal guardian may file a request for review from the Summit Academy Board of Trustees.

3.2. A written request for a Board review must be received by the Director within ten (10) working days of the date the Section 504 Hearing Panel's decision is postmarked. The Director will forward the request to the Board.

-3.3. The Board review shall be upon the record made during the hearing before the Section 504 Hearing Panel. If, after reviewing the record, including the Section 504 Hearing Panel's decision and findings of fact, the President of the Board or a designee may issue a written request setting forth the particular need for additional testimony, argument and/or evidence.

3.4. The administration will notify the parent/legal guardian if the Board determines to hear additional testimony or argument and/or evidence. An additional hearing will be two hours maximum.

3.5. The Board shall issue its decision and findings of fact that support its decision or the Board may adopt the findings of fact prepared by the Section 504 Hearing Panel. 3.6. The Decision of the Board is final.

4. The parent/guardian may file a complaint with the Office for Civil Rights (OCR) at any time before, during, or after Summit Academy's grievance procedures. The contact information for the regional office is as follows:

- Equipment ordered for this project has an expected lead time of 4 to 8 weeks after the project is approved and is . understood to be current models. However, occasionally equipment is back-ordered. Performance Audio will make all reasonable efforts to move the project forward without delays due to backordering but cannot be held responsible if any such delays occur.
- If applicable, delays in the construction schedule, pertaining to other trades, will delay the completion of AV systems.
- Installation of equipment prior to other trades being finished may result in damaged or lost equipment.
- Performance Audio is not responsible for the operational condition of Owner Furnished equipment (OFE).

Constraints:

The following items are understood to dictate any constraints of the project. If any of the constraints listed below are inaccurate for your project, or if constraints for your project exist that are not listed below (including any deadlines or scheduling issues, job site protocols, safety requirements, operating hours, etc.) please let the Sales Engineer know as soon as possible. Failure to advise us of any constraints in advance may result in additional labor costs. Please review carefully:

- Colors, finishes and custom engravings of equipment specified are to be coordinated and signed off on by the customer prior to any product being ordered.
- Work shall not begin until third party contractors have completed work. i.e. Conduit and Electrical needs. Electrical needs at rack location.
- All work is to be performed during normal business hours, Monday- Thursday 9 am to 6 pm, unless other hours have been prearranged and agreed upon.
- The customer is responsible for providing access to the workspaces and an on-site contact to help answer any questions during the installation process.

SUMMIT ACADEMY SCHOOLS, INC Draper May 18, 2022

TO: Summit Academy Schools, Inc Governing Board

FROM: Brad Wilkinson, Business Administrator

SUBJECT: Over 150 Mile Trip (UHSAA)

BACKGROUND INFORMATION

The Summit Academy High School has (2) trips this go round. The first is a Softball Tournament in St George Utah. This is a tournament has been done each year by girls softball. The second trip is a UHSAA group that is going to Cedar City Utah for the Utah Shakespeare Competition.

CURRENT CONSIDERATIONS

Currently UHSAA requires board approval for any UHSAA trip over 150 miles away. We ask that the Summit Academy High School Governing Board approve Travel for these trips.

FINANCIAL IMPLICATIONS

Please see the write up attached for Girls Softball. The current trip costs \$8,926.00 for both Varsity and Junior Varsity girls. Currently the Softball team has \$0 funds available to spend. The principal assures us that they have a fundraising plan in place to collect these funds. If funds are not collected then SAHS general budget would need to cover the costs.

The Shakespeare competition is proposed to cost **\$1,628** (Hotels and \$140 per participant)

RECOMMENDATIONS

It is respectfully requested that the Governing Board approve the travel St George and Cedar City for each of these UHSAA activities.

DIRECTOR'S RECOMMENDATION: Recommended Approval.

2023 St. George March Warmup Classic Softball Tournament - Proposal

09.01.2022

Robert DeKorver Head Coach 801-369-5891

Overview

For the last two years the Summit Academy High School softball team has traveled to St. George to play in the March Warm Up Elite tournament. This tournament has been a great opportunity to get the team additional playing experience, "dirt time", prior to the regular season starting. Unfortunately the tournament that the team was attending was made up of mostly 4,5,and 6A schools, which made it very difficult for the team to experience the successes that comes with playing teams that are at our level.

This year we are requesting to once again go back to St. George for the March Warm Up tournament, but registering for the March Warm Up Classic tournament, which through research we found was available. This tournament takes place a week later on March 17 and 18th, and consists of high school teams that are in the 1, 2, and 3A classifications. By entering the classic tournament we would be guaranteed five games against teams that we could compete against, giving the athletes a great opportunity to improve their game and to hopefully see success.

Last year we traveled with all 26 athletes as well as four coaches and two team managers. It was discussed by the coaches that this tournament also has a JV tournament at an additional cost that guarantees JV players four games against other JV games. As part of the proposal for the March Warm Up Classic I have included the cost of the JV tournament as an option, so we can get more athletes time on the field as we prepare less experienced JV players to play at the varsity level as their playing time at Summit Academy High School continues to progress.

The numbers that I have provided for this proposal are only an estimate as I am still trying to get better pricing on lodging and food, but we needed to get this before the board in order to get the tournament paid for. However, as part of that estimate, we have been able to get hard numbers on the cost of rooms with breakfast, as well as one of the dinners that would be served. Currently we have 25 students that are either returning to play or have expressed an interest to play in the upcoming 2023 season. I would suspect that this number will be pretty accurate as to the size of the softball program that we will have here at Summit Academy High school, but it may go down by a few also, which would reduce the cost of this proposal. I will however give you the cost as if we had 25 athletes, 4 managers, and 5 coaches traveling.

As the coach of the team I appreciate the board and your time to review this information. I would be more than happy to answer any questions that you may have concerning this proposal.

Goals

- 1. Help the Summit Academy Softball athletes to improve both individually and as a team
- 2. Provide a great team building opportunity
- 3. Help improve the athletes skills and increase their knowledge concerning strategies of the game
