To: Millville City,

I own 4.64 ac. of property in Millville City, located at 7th North and Main, adjacent to the Gary Gettman property. (Property Parcel #02-124-0009).

This property was annexed at the same time and along with the Mike Zollinger property to the west of main street.

I would like to request now, that this property be rezoned from agriculture to R-2 residential. Your consideration to honor my request is appreciated. I have enclosed the \$350.00 fee for this request.

Thank you.
