Councilman Coy Morrison
Councilmember Lori Taylor
Town Clerk – Teresa M Pearson
Ensign Engineering – Tyson Jewks

EXCUSED

Meeting was called to order at 6:37 P.M. by Mayor Greg Pearson.

Minutes for the August 2022 meeting were discussed.

MOTION: Made by Councilmember Jodi Hurdsman to approve the minutes.

SECONDED: Councilmember Lori Taylor

VOTE UNANIMOUS

Mayor Pearson stated that the papers had been signed for the bids on the crack seal at the airport. It will cost \$142,000 and the Towns portion of this is \$15,000. The Clerk will contact the Special Service district about the money they said they would help the town with.

Time was turned over to Tyson Jewks. He has still not heard anything back from the BLM on the environmental study report. He did state that the Geotech report is back from GEM Engineering. So, they are just adjusting the tank design to fit the report. The need to have the environmental study done is best before it can be put out on bids. Tyson did report that there is the GIS system is on the tablet for the water meters. He will bring a guy next month before the meeting and will go over it with the clerk and water person.

The impact fee was not published in the reaper so the clerk will retry and publish it for 2 weeks. The impact fee is for one ERC on the ordinance.

Mayor Pearson then reported on the water. He stated that Paul said there is a current water leak by City Creek, so the spring is off to fix it. Overdue water bills were discussed. The Clerk will send out letters of concern to those on the list and two disconnect letters.

Councilmember Jodi Hurdsman discussed the Christmas Party for the town. She would like to hold it on December 17. She will discuss it more next month.

The town project was discussed. The board thinks it went well and was able to get a lot done that day. There are only 3 blocks left to do. We will work on it one block at a time.

The weeds at the cemetery need to be sprayed. That was all Councilman Sherm Buck had to report on.

Roads were discussed. Mayor Pearson stated that the patchwork on 100 North has not been done.

Time was turned to Councilmember Lori Taylor. The restrooms need to have some lock bar toilet paper dispensers installed. The power poles at the park on the south fence need to have some work done on them. She will look into it and see what needs to be done.

Current building permits were discussed. Greg and Roxanne Stephens had submitted plans for an addition on their current home.

MOTION: Made to Councilmember Lori Taylor to approve the building plans for the Stephen's addition.
SECONDED: Councilmember Jodi Hurdsmen
VOTE UNANIMOUS

The Mayor of Circleville has asked the surrounding towns to help purchase a new firework trailer for the mortars. It will be easier to move the trailer if they do not need to use a semi. The board kept discussing it and decided to table it till the next board meeting.

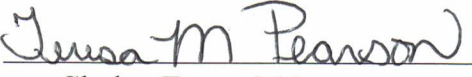

The financial statement and bank statement for the month of August was available for review.

ORDER: Claims were available for the September payroll and accounts payable which goes from Check # 11670 to Check # 11700.

Meeting was adjourned at 8:11 P.M. by Mayor Greg Pearson.

MOTION: Made by Councilman Sherm Buck to adjourn the meeting.
