Meeting Minutes

The Emery Medical Service Advisory Board

September 20, 2022

Attendance: Stoney Jensen, Jared Howes, Seth Gardner, Tracy Addley (for Orangeville), Holly Smith, Clint Olsen, Jan Olsen.

1. **Discuss/Approve/Deny - August 16th meeting minutes**
   Jared Howes motioned to accept the last meeting minutes, and Seth Gardner seconded. Motion carried.

2. **Discussion – Training September/October**
   September -Central Nervous System, Injury, Nero, Seizures -by Travis Engar.
   October - Pit crew CRP
   November - Review of uncommon runs

3. **Discussion – Pediatric Coordinator**
   Melissa wants to do hands-on training.

4. **Dispatch/Sheriff's Office**
   No one was present; Jared Howes reported that they would like to know when paged to CVH for transport for someone that does not have transportation. It was discussed that some of the incidents do not meet requirements for billing, but do a case by case and have compassion for citizens.

5. **Discuss/Approve/Deny - Med Storage**
   Paperwork was presented by Stoney Jensen, which he received from the State, and determined that it needed to be sent to Mike Olsen (County Attorney) for review.

6. **Discuss/Approve/Deny -EMT wages** It was discussed that wages had not been increased since 2019. With the increase of cost of living here is what was purposed.

Current		**Increase**	
Driver	$12.77	Driver	$14.77
Basic	$13.77	Basic	$19.68
Advanced	$22.60	Advanced	$24.60

The advisory board motioned to increase the wage budget to 300,000.00 for the upcoming year and approve the new wages for EMS workers by Seth Gardner, seconded by Jared Howes, and the vote was unanimous.

7. **Discuss/Approve/Deny - Event Coverage**
   It was discussed that next year the price needs to increase for those that are making money for profit.
   For local events first one is free, and any others will be $100.00 per hour.

   *If our EMTs are needed in our counties, that will be their first priority, or in the case of a catastrophic event, we have the right to refuse service. Our citizens and community come first.

   A written agreement was proposed to the board for approval and will be proposed to Attorney and Commission as the Dedicated Stand by Agreement for paid events going forward. Seth Gardner made a mothing to approve this agreement as written, and Jared Howes seconded the motion. Vote passed.

8. **Discuss/Approve/Deny -EMT Class**
   They currently have 5 individuals (4 from Green River and 1 from Emery) signed up for the Salt Lake Community College Hybrid Class. Waiting for this to be finished and see how well things will play out. Willing to give the Hybrid Class again in the Spring.
   Anything that will help us get new employees.

9. **Discussion - Clinton's Items**
   The budget is still looking great for the year to date, and Clinton Olsen purposed the new tentative budget number for this upcoming year.

   New manikins will be arriving in October, and the training for using them will be on October 21, 2022.

10. **Board member concerns**.
    Stoney Jensen brought up information about the use of a Pelvic Binder, it was decided that each crew would prefer to use a sheet, and explained how using a sheet was more effective.

    Orangeville is concerned about its members not signing up for runs. Why they are having such a hard time getting their members to volunteer? More training for garage lead to help members sign up.

Emery needed information about the practical part of the new Hybrid Class training and was informed that they would need to go to Green River, where they have provided a trainer.
