1.2 Mayor's Report

 Mayor Kristie Overson reported that there were twenty or more new trees that had been planted at Vista Park the previous weekend.

Taylorsville-Bennion Improvement District had recently extended an invitation to elected officials and city staff to tour the Central Valley Water Reclamation Facility. Congressman Burgess Owens and Senator Mitt Romney were present for the tour, and it was a great opportunity for everyone present to learn more about what the facility did for Taylorsville and surrounding communities.

Utah's Lt. Governor Diedre Henderson had recently visited city hall to meet with the administration. It was a great, interactive meeting and Mayor Overson mentioned how nice it was to see the Lt. Governor's interest in Taylorsville since she once lived there herself.

A community partners lunch had been held in Herriman City. It was yet another opportunity to foster relationships with other elected officials and have a chance to collaborate for the good of everyone in the Salt Lake Valley.

Mayor Overson extended a huge thank you to Congressman Burgess Owens for acknowledging an award Chief Cottam had recently received by sending him a video message.

The mayor reminded the council that it had recently approved a vehicle lease for the police department. The new vehicles looked different from the current ones, and one had been parked in front of city hall so that the councilmembers could take a look at it if they wished to.

City administration had met with newly appointed Unified Fire Authority Chief Dominic Burchett and received an in-depth report of the agency's fire and EMS coverage of Taylorsville. She appreciated the great partnership with both UFA and the Unified Fire Service Area (UFGA) which was the UFA's funding mechanism.

Regarding Youth Council, Mayor Overson expressed her appreciation to City Council and Youth Council Coordinator Kris Heineman who had recently become a member of the Utah Association of Youth Councils. It would be exciting to see her take the expertise she had honed at Taylorsville and apply it at the state level. Taylorsville's 2022-2023 Youth Councilmembers had been chosen and would be sworn in later in the meeting.

1.3 Citizen Comments

 Chair Barbieri invited any members of the audience to step forward and address the council on the topic of their choice. There was no one who indicated a desire to speak so Chair Barbieri closed the citizen comment period.

- Taylorsville High Student Government

3.2 Public Safety Committee – *Tony Henderson*

 Public Safety Committee Chair Tony Henderson reported on the committee's activities during the previous six months. They had wished to focus more on the Neighborhood Watch program and held three low-key neighborhood meetings and participated in the police department's meet-and-greet event.

The committee had a booth at Taylorsville Dayzz on both Friday and Saturday night. They guessed that roughly 75% of their time was spent passing out candy and 25% was spent sharing public safety information.
