Citizen Input:

Presentation: Eric Mischnick from 120 Water: The EPA made changes to the Lead and Copper Rule. They are requiring an inventory of every service line. This is

due on October 16, 2024. 120Water will help Hyde Park City become compliant. (Presentation included). Marcus informed the Council that Rural Water, Hyrum City and North Logan City highly recommend this company to help the city become compliant. Council member White made a motion to contract with 120Water. Council member Atkinson seconded the motion. Council members Flint, White and Atkinson voted in favor. Council member Osborne voted in opposition. The motion carried 3/1

Consider Ordinance 2022 – 23 – An Ordinance defining nuisance code violations. Marcus informed the Council that historically the city has had multiple complaints and problems with ordinance violations. The city has not had an ordinance in place to cover civil complaints. The Council requested that this be pushed to a future Council meeting to allow time for further review.

Consider Ordinance 2022 – 24 – An Ordinance creating an exemption for the dry piping requirement in developments above the upper canal: The Mayor informed the Council that at a training he attended, he learned that the City should not consider piping secondary water above the canal. The cost of piping would be far more expensive than culinary water. The focus should be on landscaping ordinances, lot sizes, etc. Council member Flint informed the Council that the Planning Commission discussed this in their last meeting. The commission supported removing the dry piping requirement above the canal. They discussed adding a fee associated with the development that goes into a fund for water conservation efforts or infrastructure below the canal. Council member White made a motion to adopt Ordinance 2022-24 – An Ordinance creating an exemption for dry piping requirement in developments above the upper canal. Council member Atkinson seconded the motion. Council members Flint, White, Atkinson and Osborne voted in favor. The motion carried 4/0

Consider interlocal agreement between Cache County and the Municipalities of Cache County for creation of an entity for County and Municipal Solid Waste Disposal: council member White made a motion to enter into an interlocal agreement contingent upon the attorney's approval. Council member Osborne seconded the motion. Council members Flint, White, Atkinson and Osborne voted in favor. The motion carried 4/0

Police: Police Chief Goodrich informed the Council that the department hired a new animal control officer and hired another officer who will start Nov 1st. The number of calls for last month was 134. Many of those were high priority and time-consuming calls.

Streets: Council member Osborne informed the Chief that on 200 west and 600 south there will be a new crossing to help kids get across the street to school. Work has started on wolf pack way. Charles Wheeler informed the Council that the school has set aside \$1, 600 to do landscaping in the roundabout by Green Canyon high school.

Parks: Council member Atkinson informed the Council there has been over 60 hours of service on the trails along with many service hours at various places throughout the city. The parking lot on 250 east is almost complete. There will be a contest to name the new park.

Planning Commission: Council member Flint informed the Council that the Planning Commission has been working on the general plan.

Police Commission: The new chief was sworn in and the Police Commission is rewriting the bylaws.

Marcus informed the Council that Charles Wheeler has been working for the City through a contract. He asked the Council if they want to continue using funds to allow Charles to continue working. The Council was in support of continuing the contract with Charles Wheeler.
