MINUTES OF THE HYRUM CITY HISTORIC PRESERVATION COMMISSION
MARCH 15, 2022 IN THE HYRUM CITY MUSEUM BOARD ROOM,
50 WEST MAIN STREET, HYRUM, UTAH.

CONVENED: 6:00 pm

THOSE IN ATTENDANCE: Commission Member John Petersen, Commission Member Steve Downs, Commission Member Patrick Megill, Commission Member Jami Van Huss, Recorder Janna Bushman, and City Council Member Craig Rasmussen. Commission Chair Roger Allen, Commission Vice Chair David Bates, and Commission Members Jack & Sarah Roberts were excused.

WELCOME and REVIEW OF MINUTES: Craig Rasmussen welcomed everyone to the meeting. John Petersen motioned to approve the minutes from November 16, 2021, and Steve Downs seconded. All voted aye and the minutes were approved unanimously as written.

BUSINESS:

1. Officer Elections

After reviewing the HYPCO bylaws concerning officer elections, the commission nominated and seconded the following: Roger Allen as Chairman, David Bates as Vice Chairman, and Janna Bushman as Recorder. All votes were unanimous.

2. CLG Grant Follow-Up

Hyrum has only the three nationally registered historic properties, the Roberts' home, the Bates' home, and the Elite Hall. The grant for this year is split between the Roberts' and the Bates' properties. The Roberts have spent their funds and the results are very nice. The Bates will need to spend their funds by June 1, 2022 so the city has time to receive the reimbursement grant from SHPO.

3. Elite Hall Exterior Rehab Status

Hyrum City again submitted for RAPZ tax support this year. In the meantime, the existing funds combined with City funds have been used to hire Abstract Masonry for the exterior work. Current plans are to remove the awning and neon lighting and to have the exterior paint removed by the 4th of July. With Craig Rasmussen's support and efforts, the city is now fully committed to the project. In June the Mormon History Association's annual conference will be in Cache Valley and a pre-conference tour will end at the Elite Hall and Hyrum City Museum. Jami is hoping to use this as an opportunity to increase awareness, enthusiasm, support, and potential funding for the Elite Hall restoration project.

4. Hyrum Founding Families Cemetery Project Assignments

We discussed what existing inventories may already exist, looking into those, and assigning names to HYP CO members for research. Jami proposed that she might assign a museum intern to find out about the original settlers in the Hyrum cemetery.

OTHER REPORTS FROM COMMISSION MEMBERS:
