

**WASHINGTON CITY
LONG VALLEY TRANSMISSION PIPELINE, 2022**

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of the **Long Valley Transmission Project, 2022** will be received by **Washington City**, at the Public Works office located at **1305 E Washington Dam Rd, Washington City, Utah 84780** until **2:00 p.m.** local time on **December 6, 2022**, at which time the Bids received will be **publicly** opened and read.

This project includes approximately 13,400 lineal feet of 16-inch transmission pipeline, fittings, valves, tracer wire, and associated improvements that will provide connection to Washington City's culinary water system in the Long Valley area.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis, with additive alternate bid items as indicated in the Bid Form.

Plans and specifications have been prepared by Sunrise Engineering, Inc. and will be available after November 16, 2022, on Washington City's website, <https://washqa.org/planspecs/LVTP22>.

Any notices regarding changes / addenda to the Project Documents will be sent to the email addresses associated with the Bidders' registration. Bidders are responsible to maintain accurate contact information and check the Plan Room website often to receive updates or additional information.

A pre-bid conference will be held at **2:00 p.m.** local time, **Tuesday, November 29, 2022**, at the **Washington City Public Works Dept. 1305 E. Washington Dam Rd, Washington City, Utah 84780**). Attendance at the pre-bid is strongly encouraged. Names of those in attendance will be recorded.

Bid security shall be furnished in accordance with the Instructions to Bidders.
