

Dear Utah State Charter School Board and State Board of Education:

American Leadership Academy is pleased to present for your review our application for the waiver to board rule R277-121 requesting a waiver from R277-419-4, which requires student to attend 180 days. American Leadership Academy under authorization from the State Board has been operating under this waiver for the past 5 ½ years. In compliance with our initial waiver we are providing this application to the State Board of Education requesting a continuation to the waiver to board rule.

You will find within our packet of information that substantiates our stakeholder's interest and desire to continue with our established programs. Please feel free to contact ALA with any additional questions or clarifications.

Sincerely,

Mr. Rich Morley M.Ed
