ALSO PRESENT:	Mike Christiansen	City Attorney

Mayor Bott apologized for the delay in starting the meeting and turned the time over to Kirk Nord, representative for artist Eric Dowdle from Lindon Utah. Mr. Nord explained this project is part of America250, a celebration of the 250th anniversary of the United States of America.

His process includes meeting with City Councilmembers, citizens, and business owners to collect stories and traditions. He then moves forward with the painting to include images and landmarks in the city.

A new commissioned 33 x 40-inch piece would be \$75,000 which includes:

- a slightly larger image in the form of a giclee canvas print which would be framed in puzzle format
- an unveiling day with Mr. Dowdle

6,000 puzzles would be sold to the City at a wholesale rate of \$12.50 with a suggested retail price of \$24.99 which would recoup most of the costs of the original art piece and the puzzles. The City would have one year of exclusive rights to puzzle sales and have a perpetual license to use the image. The timeline for completion of the piece would be summer/fall of 2023.

Mayor Bott suggested the City could put Mr. Nord's presentation on social media to get thoughts and input from the community.

The meeting adjourned at 6:56 p.m.

The undersigned duly appointed Recorder for Brigham City Corporation hereby certifies that the foregoing is a true, accurate and complete record of the November 17, 2022 Work Session.

Dated this 5th day of December 2022.
