Second: Cl. Jones seconded the motion.

Vote:

Cl. Carlson Yes

Cl. Egbert Yes

Cl. Beck Yes

Cl. Jones Yes

Cl. Garrett Yes

Vote: Passed 5:0

ACTION ITEM:

Item 2. Consideration of a Resolution awarding the contract for the 1200 North Hobble Creek Elementary Sidewalk connection project.

Sean Conroy, Assistant City Administrator/Community Development Director reviewed the staff report with those in attendance. Cl. Carlson inquired about the safety of the children during the construction of this. Steven said that it will be safe and if a flagger is needed they would add that.

Motion: Cl. Egbert moved to adopt a Resolution awarding the contract for the 1200 North Hobble Creek Elementary Sidewalk connection project to Hall Engineering.

Second: Cl. Jones seconded the motion.

Vote:

Cl. Egbert Yes

Cl. Beck Yes

Cl. Jones Yes

Cl. Garrett Yes

Cl. Carlson Yes

Vote: Passed 5:0

Resolution No. 2022-47**DISCUSSION ITEM:****Item 3. A discussion item to receive feedback on Central Utah Water Conservancy District's recommended landscape water efficiency standards.**

Sean Conroy, Assistant City Administrator/Community Development Director reviewed the staff report with those in attendance. He discussed that for cities to be eligible for rebates, standards will have to be adopted. This would mean that practices will have to be changed as to what is currently being done.

Cl. Beck asked if the standards would come with enforcement. Sean stated no. Cl. Carlson asked if this only applies to the front yard and Sean said yes. Residents would have to request the rebate, if standards are not adopted then they wouldn't be eligible for the rebate. Cl. Jones said that the local scape is great, and the design principle are more esthetically pleasing. She is not comfortable with the requirement of having to do this and would want residents to have more education on this. The council would like to make sure that residents receive education on how to effectively and esthetically provide landscaping.

MAYOR, COUNCIL AND ADMINISTRATIVE REPORTS:

Chief Jackson stated that with an increase of speed complaints, the police department did a "speed blitz". All officers came out and 43 cars were stopped and 12 citations were given. He would really like to get a policy in place for when a speed complaint comes in. He thinks this will be a good retreat topic.

Cl. Carlson reported that the construction of the Solid Waste plant is coming along. It is on schedule, and it is to be completed by January of 2024.

Cl. Egbert stated that she attended the first community preparedness meeting. ULCT is gearing up for a busy legislative session with affordable housing and the rights of cities.

Cl. Jones reminded the council of the Chamber Target Workshop event on January 10th at 7:45am at the Springville library where Mapleton and Springville elected officials will speak.

Camille Brown stated that there was a great turnout for the November senior luncheon.

Cory Branch stated that a week ago MAG reached out by email to discuss the future plans for consolidating the tracks next to the Harvest Park area, and they want the city to submit a letter of support. It is his opinion to hold off on the letter and discuss what stipulations the council would like in the letter. Steven added that the consolidation of the tracks helps the freeway access.

He reminded the council that the Tree Lighting Festival is scheduled for Monday, November 28th at 6:00 pm.

An interview for Steven's replacement will be tomorrow. The finalizing of the map for Fiber will take place next week and the Friday Fiber will start up again. There will only be one meeting in December.

Madison Wilson reviewed the final two brand options with the council. A discussion ensued and the council added their feedback on the brands. Madison, Cory and the Mayor will take the feedback back to the visual designer.

Motion: Cl Jones moved to adjourn the meeting.
Second: Cl. Carlson seconded the motion.
Vote: Passed unanimously at 6:48 pm

APPROVED: December 7, 2022

Camille Brown, City Recorder
