

Long Term Services and Supports for Behaviorally Complex Individuals

- Result of Governor's Office of Planning and Budget Request
- This amendment seeks approval from the Centers for Medicare and Medicaid Services (CMS) to provide long term services and supports (LTSS) to individuals who have behaviorally complex conditions.
- Eligibility
 - Medicaid eligible individuals eligible under this demonstration must meet all of the following requirements:
 - Medicaid members who have more than one complex medical, organic, cognitive and psychiatric and behavioral conditions that result in difficulty finding appropriate LTSS options.
- Benefits
 - If approved under this demonstration, qualified Medicaid members will be eligible to receive the following services:
 - Ability to receive rehabilitative services in a skilled nursing facility with professionals who are licensed to provide care to individuals with substance use disorder, severe mental illness, or other behaviorally complex conditions.
- Proposed Demonstration Timeframe
 - The State intends to implement the proposed benefit as soon as possible after approval but not before January 1, 2023.
- Population Impacted
 - Approximately 50 individuals may be eligible if this amendment is approved.
