COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC HEARING:

Councilman Jon Maxwell opened the public hearing for the CDBG program and stated that the purpose of the public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2023 funding cycle. It was explained that the grant money must be spent on projects benefiting primarily low and moderate-income persons. The Six County Region, in which Salina City is a member, is expecting to receive approximately \$850,000 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Councilman Jon Maxwell read several of the eligible activities listed including examples, such as Construction of public works and facilities, e.g., water and sewer lines, fire stations, acquisition of real property, provision of public services such as food banks or homeless shelters. Councilman Jon Maxwell indicated that in the past Salina City isn't aware of receiving funding from CDBG. The Town handed out its capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the town has identified as being needed in the community. It was asked that anyone with questions, comments or suggestions during the hearing please identify themselves by name, before they speak. The clerk will include your names in the minutes and we would like to specifically respond to your questions and suggestions during the hearing. There were not any questions or comments.

Kevin Mickelsen motioned to adjourn the Public Hearing at 7:00 p.m. **Earl Taylor** seconded. Motion carried 3 to 0.
