Special Event Options and Recommendations

City Council Work Meeting
December 8, 2022

1. Town Square and Special Events

Town Square was purpose built to be a gathering place in the heart of the city for events.
Town Square needs restoration work on the water features, structures, hard surfaces and turf areas. Given the draught and extreme temperatures, is has been very challenging to host numerous large events at Town Square and keep the grass alive on the two fields, especially the festival grounds (west field).

Options for use:

Option 1

- *Allow all City events, City sponsored events and privately organized special events (based on availability)*
    - Art Festival, 4th of July, Christmas Lighting Ceremony, 911 Ceremony, Ironman, Recovery Days, Pride Festival, UTU Homecoming and Car Show, Art Around the Corner, ULCT BBQ, Rise Up for Children, Mayor's Walk, Uncle Same 4K, Movies in the Park, Meet the Candidates, Butterfly Memorial, Constitution Day, Menorah Lighting, Saint George Market, Tour of St. George

Option 2*

- *Only allow City events and City sponsored events*
    - Art Festival, 4th of July, Christmas Lighting Ceremony, 911 Ceremony, Ironman, Iron Kids, Rise Up for Children, ULCT BBQ, Art Around the Corner, Movies in the Park, Art Attack, Menorah Lighting

Option 3

- *Only allow City events*
    - Art Festival, 4th of July, Christmas Lighting Ceremony, 911 Ceremony, Movies in the Park, Uncle Sam 4K, Mayor's Walk, Art Attack

*Staff Recommendation

2. City Sponsorship

City sponsorship is currently at the discretion of the City Council. It has usually included one or more of the following:

A. Waive park rental fee
B. Waive Special Event Fee
C. Waive Encroachment Fee
D. Traffic control devices

E. Use of City equipment (stage, risers, audio, video, bleachers, etc.)
F. Advertising on City social media channels or City digital signs
G. Allow an event organizer the opportunity to reserve a park for an event
H. Cash or in-kind assistance

3. Special Event Permit Violation and Penalty

Occasionally an event organizer will violate the terms of a Special Event Permit. The following are possible penalties for violations:

- $750 Fine
- Class B Misdemeanor
- Revoke the ability to host an event in St. George for one year
- Require a large deposit to offset the harm caused by the previous violation

4. 45-day period and reoccurring events

City Code 3-10-4

1. New Events or Reoccurring Events with Substantial Changes - A completed application on city forms shall be submitted to the city at least forty-five (45) calendar days before the event is scheduled to take place, to allow sufficient time to process the application and to allow timely appeal to the city council in the event the application is denied. Applications for new events or reoccurring events with substantial changes that submit the application less than forty-five (45) calendar days prior to the scheduled event shall not be accepted. This action may be appealed to City's administrative law judge by filing a notice of appeal with the City Recorder within 3 calendar days of denial. Applications are not considered complete until all required information has been submitted to the city.

2. Reoccurring Events With No Substantial Changes – Applications may be received for reoccurring events with no changes less than forty-five (45) calendar days prior to the scheduled event so long as the reoccurring event without substantial changes has been previously approved by the City Council in its annual approval of reoccurring events.
