

Governor's Committee, Business Relations & Choose to Work

October- December 2022

October was National Disability Employment Awareness Month, NDEAM, theme for 2022-2023 - "Disability: Part of the Equity Equation"

<https://www.dol.gov/agencies/odep/initiatives/ndeam>

Governor's Committee:

Participated in the second Chamber Diversity Cohort to present on disability as a piece of diversity and inclusion. Working with Morgan Stanley to coordinate possible mentoring events as well as with Intermountain and various USOR district offices. Participated in the Chamber Diversity Summit for a breakout session that include information on the Governor's Committee.

Business Relations (BR):

Had a successful Fall Work Ability Career Preparation and Job Fair with over 40 participating business partners and over 200 job seekers. Continuing work with a variety of business partners and working to establish a variety of new CTW team members. Business relations was involved in a breakout session at the Chamber's Diversity Summit. Business Relations and CTW represented at the Apprenticeship Summit and Fair with Josh Rodeback presenting on a panel.

Choose to Work:

The CTW team is now fully staffed among the 9 USOR District Offices. The Choose to Work Team is working to mentor new team members and create consistent services to both job seekers and business statewide.
