### Future Events:

Christmas Festival: December 16 & 17. The Canopy will not be completed at the arena. We can move the festival to Draper Park so that we can have cover from the elements. We will have marshmallow roasting and Hot Chocolate available. David will put together a schedule we can sign up for times to help cover. Prep of Hot Chocolate and help at each station is needed. For the prep we will prepare the hot chocolate a couple hours before the event. Saturday we will make hot chocolate two times. We will need one committee member and one staff member. For the distribution we will need 3 people to help. David sent around the sign-up form for each member to take time to help.

David Dobbins is in attendance to meet all the members and watch our meeting. Thank you, David, for attending and showing your support for our committee.

Changes for Draper Arena Board. The Draper Foundation will be changing for an insurance liability standpoint. Because of this it may be necessary to ask our committee for help with the Rodeo during Draper Days. The City has asked Katie to remain as Chairperson over the rodeo and use our committee members as volunteers as needed. It is possible that the City will put together a separate committee for Draper Days and Katie can also use them to help with volunteers as well. Katie will stay in contact with our committee and ask for help as needed.

Last week Doug and David met with a guy over a Monster Truck promotor. He would like to host an event at our arena. David met with the risk manager and they figure the cost would not be not more than what the motor challenge would cost. For the Moto Challenge, it takes 2 weeks to prepare the track, plus city employees. With the Monster Trucks the promotor would prepare the track in one day. We would be able to have a 2-day event for the same cost we could have one day of the Moto Challenge. August 4-5, 2023 are the dates we are looking at holding the event. Motion by Katie to change to the monster truck, 2nd by Sherrill. All in favor-yes.

Bulls Only will be on August 26th.

Food truck nights on Monday's will be May 15 through Labor Day

Farmers Market nights are scheduled June - October on Saturday's

NEXT MEETING: January 25, 2023 5:30. We will not meet in December unless there is a need.
