Overdue water bills were discussed. A bill that has been sent to a town resident keeps getting put back in to send to the other person. This bill is past due.

MOTION: Made by Councilmember Jodi Hurdsman to disconnect the meter.
SECONDED: Councilman Sherm Buck
VOTE UNANIMOUS

The Clerk will send out letters of concern to those on the list and three other disconnect notices.

There was a water leak on main street and 200 south. The leak has been fixed but the driveway for the resident needs to have some dirt and rocks hauled in to fix the driveway.

The firehouse locks are not properly working so new locks need to be ordered and installed. The Clerk will talk to Alan Sudweeks from Stan's to see if he can order some to replace them.

Councilmember Jodi Hurdsman reported on the town Christmas party. She stated that there were about 140 people and it was a great turnout. They enjoyed the food and the bingo.
