
January 2023 Event Assessment

Wasatch County Team Roping Night

Our team roping night has been very successful this month. We have had around 25 participants. The high school rodeo team has been helping us out with the labor associated with this event. We have been able to send our staff home while the parents and rodeo team have taken care of the rope night with our guidance. We have had a number of people from the lower valley, Wyoming and many local Team roping enthusiasts.

Skijoring January 27-28

This was a new event for us and it proved to be one we would like to keep. The event has been held in our valley for the last 5 years, they did move to Kamas last year. The problems that they have had is no seating and no way to control the amount of people coming to see the event. We do have the seating and a way to control the masses of people that wanted to see this event. We sold 6000 tickets and rented out 58 stalls for this event. They televised the event and it has attracted people from around the world, we expect the event to grow each year. The promoters have booked our complex for next year where we expect even more spectators. It is great to have revenue coming in from the outdoor facility.

Ski/Snowboard School

62 Participants

Ski and Snowboard School will be held at Sundance Resort on Saturday's January 14th-Feb 11th. The Bus will leave the Wasatch County Rec Center at 12:30 PM Sharp. The bus will return by 5:00 PM.

We begin the day by loading the kids on the bus attaching their day passes and checking them off on our attendance sheet. We arrive at Sundance around 1 PM get kids off the bus and into equipment, and off to lessons with their instructors. During lessons we take care of any issues that come up, such as kids being cold or equipment not fitting. At 4 PM we gather the kids and put all rental equipment away and load back up on the bus. After checking everyone off the list for the day we head home to meet up with parents at the Rec Center. We will then unload all personal equipment from the truck and call any parents who haven't picked up their kids yet.

This Program continues to fill up every single year. We have kids that look forward to this program all year long. Sundance does a great job in keeping the groups small and teaching the kids how to ski or snowboard. The instructors are always very kind and you can tell they love teaching the kids to ski/snowboard.

Men's Basketball

130 Participants

We have 14 teams in the league this year. Most of the teams are sponsored by local businesses that have their employees play as a team building activity. Games are played on Monday nights from 7:00 - 10:00 on court 2 and court 4, 6 games a night. Cost to get into the league is \$600 per team. We arrange for the referees and scorekeepers each week. We try and run a 3 man crew of refs on each court and 2 score keeps.

High School Basketball

123 Participants

High School Basketball League November 17th. We have a Freshman/Sophomore League and Jr/Senior League. This year we have 16 total teams. We hold a draft night the first night, where we select team captains to draft their own team. This makes it really fun for the kids and also gives the kids a chance to make new friends.

We coordinate score keeps and refs for the games each week. As well as make sure courts ready for games and set up score boards beforehand. We will take care of any problems that come up throughout the night and make sure everything runs smoothly from start to finish. This is a great league and really fun to watch the high school kids play against their friends.

Stingers Volleyball

28 Participants

This program runs from January to March practicing on Tuesdays and Thursdays from 4:00 to 5:30 each day on courts 3 & 4. Each team will get to play in 2 different tournaments where they will play at least 4 games and could play more. Stacy Wade coaches the 7th grade team this is her 5th year as a coach with us. Melanie Burdette coaches our 6th grade team, she has coached many years with the program. Sydney Holmes coaches the 8th grade team this is her 4th year with the program.

Gymnastics

105 Participants

Classes are taught By Josh Schneiter (Head), Kylee Nelson and Tiffin Webster. We have 10 different class being taught here at the Rec Center, classes are on Wednesdays 4:00 - 8:00 and Thursdays 4-8, we also are doing a morning class on both days from 9:00-12:30. Cost for class ranges from \$45 to \$110 depending on the class for the 4 week session. Classes are taught on Court 6.

Jr. Jazz

458 Participants

Expanded Jr. Jazz (2nd-4th Grade Boys and 2nd-3rd Grade Girls):

Jr. Jazz started on January 4th and will go until February 8th. Games Start at 5PM and go until 8PM on 4 of our basketball courts.

On the first night of Jr. Jazz we gave all the coaches jerseys to hand out to the kids who ordered them. We then have the teams practice for the first 15 minutes of each game. After the 15 minutes the kids then play a game against the opposing team. We hand out colored wrist bands to help the kids understand how to guard the same color wristband. We will walk around to make sure games are going and answer any of the questions that may come up. After the hour is up we will go make sure all games have ended and the next group of kids will take the court with their coaches.

This year we have had a great group of coaches that are putting in extra time with the kids and holding practices.

Jr. Jazz (5th-8th Grade Boys and 4th-8th Grade Girls):

Jr. Jazz started on January 7th and will go until February 18th. Boys start at 8AM and go until 9:30AM. Girls start at 9:30AM and go until 11AM. On Saturdays we use 5 of our basketball courts.

This program is awesome because of the support we get from our high school basketball teams. Every morning the coach and players from the boys and girls teams instruct our players for the first 45 minutes. They teach them new drills and work with them on improving their games.

After the first 45 minutes we break into games and the high school players then ref the basketball games for the kids.

This year we have had a great group of coaches that are putting in extra time with the kids and holding practices.

We have now started to notice the growth in our community, in most of our programs. This program continues to expand every year. We are using almost every court in our facility to cover the number of kids in most age divisions.
